In the event a report is received of a criminal drug statute conviction for a violation occurring on the campus or campus controlled property involving an employee who is employed under federal grant funds, the College's grants administration will notify the federal agency from which the grants are received as appropriate. The College shall conduct a review of its program on a periodic basis to: (i) determine its effectiveness and implement changes to the program if they are needed; and (ii) ensure that its disciplinary sanctions are consistently enforced.
