JumpStart Advanced Standing Credit is a program that articulates high school classes to WSU TECH credit for no cost to the student. To determine if your school participates and which classes may be eligible, please refer to the WSU TECH website. This credit is subject to the following guidelines:

- An Application for Admission to WSU TECH **and** a High School Transcript must be on file with the WSU TECH Admissions
- Students must be currently enrolled or have completed at least one WSU TECH credit course in order to receive the credit.
- A passing grade is required.
- Students may apply for Advanced Standing Credit for up to two (2) years after their high school graduation date.
- The credit will be posted as an "S" on the WSU TECH official transcript as Advanced Standing Credit by the Records Office.
- Students may earn a maximum of 15 hours of credit through nontraditional means.
- **There is no expectation/guarantee of transferability of these courses. Transferability of these credits is determined by each college or university.**
