Appendix E

Listed below are our programs of study with the availability of these degree options for each:

Associate of Applied Science (AAS): Typically a 2-Year Program

Technical Certificate (TC): Typically a 1-Year Program

Certificate of Completion (COC): Usually completed in less than 1 semester

Aviation	AAS	TC	COC
Aerospace Coatings and Paint Technology	AAS	TC	
Aerospace Manufacturing Technology	AAS	TC	
Aerospace Manufacturing – Assembly Mechanic		TC	
Aerospace Quality Control		TC	
Airbrush Technology (NEW!)		TC	coc
Aviation Maintenance Technology	AAS		
Aviation Maintenance Technology – Airframe		TC	
Aviation Maintenance Technology – Powerplant		TC	
Avionics Technology	AAS	TC	COC
Composite Technology	AAS	TC	
Composite Technology – Fabrication			COC
Composite Technology – Repair			COC
Nondestructive Testing – Introduction to			coc
Nondes tructive Testing	AAS	TC	
Nondestructive Testing – Advanced			СОС
Certified Medication Aide			coc
