This scholarship will be awarded for the 2019-2020 academic year. Eligible students must be pursuing an Associate of Applied Science degree or Technical Certificate in Mechanical Engineering Design.

DEADLINE: JULY 1, 2019

Last name: _____ First name: _____ Middle Initial: _____

Address: _____ City: _____ State: _____ ZIP code: _____

Social security number: _____ Student ID number: _____

Home phone: _____ Cell phone: _____

E-mail address: _____

Place of employment: _____

Does your employer provide educational assistance? Yes No

Program of interest: MECHANICAL ENGINEERING DESIGN

Please indicate your anticipated start date: Fall 2019 Spring 2020

Please write a brief statement outlining your personal accomplishments and goals (attach additional page if needed)

-Please be sure to sign this application on the reverse side-

Requirements:

- Prefer 3.0 cumulative high school GPA, OR 3.0 cumulative college GPA with at least 12 hours earned.
- Complete application for Admission.
- Complete COMPASS assessment and meet minimum scores for program acceptance.
- Submit high school transcripts or GED.
- Submit college transcripts if applicable.
- Complete the free application for federal student aid (FAFSA).
- Full-time enrollment in WATC Mechanical Engineering Design program.

Terms and Conditions:

- To be eligible for this scholarship, applicant must complete all admission requirements, complete the Airbus Design Scholarship Application and apply for Financial Aid.
- Student must be seeking an associate of applied science degree or technical certificate and all classes covered by scholarship must count toward the degree or technical certificate.
- The scholarship amount is \$2,375 per year, \$1,187.50 to be awarded in each the fall and spring semesters.
- This scholarship is not guaranteed for subsequent terms of enrollment.
- Students must maintain good academic standing, which includes maintaining the required GPA to continue receiving this scholarship (3.0).
- This scholarship is non-transferable to other colleges.
- This scholarship has no cash value and will be applied to student's tuition and fees.
- Students who drop/withdraw from the program will be subject to WATC's normal refund policy and will be responsible for any outstanding charges on their account.
- Students who receive third-party funding or are eligible for employer-reimbursed funding are not eligible for the scholarship.
- Scholarship recipients may be asked to participate on the Industry Advocate Board representing the Mechanical Engineering Design Program.
- Receipt of the Airbus Design Scholarship is not an offer of employment and in no way guarantees employment at Airbus Americas Engineering, Inc.

Requirements for Renewal:

- Full-time enrollment.
- Cumulative GPA of 3.0 or higher.
- Remain in good standing.
- Continue to be seeking an associate of applied science degree or technical certificate. All classes covered by scholarship must count toward the degree or technical certificate.

By signing this scholarship application, I agree to the terms and conditions outlined above.
