

**Articulation Agreement
Between
Wichita State University Campus of Applied Sciences and
Technology
Associates of Applied Science, Healthcare Simulation Technology
and
Seminole State College, Florida
Bachelor of Science, Health Sciences
Simulation in Healthcare Education specialization**

I. PURPOSE

The purpose of this articulation agreement is to facilitate the transfer process for students earning their associates of applied science degrees at Wichita State University Campus of Applied Sciences and Technology and establish procedures for admission into a Bachelor of Science, Health Sciences Simulation in Healthcare Education specialization program at Seminole State College. This articulation is intended to maximize a student's transfer credit award, and advise students on the completion requirements for this bachelor degree program. Under this articulation, students would enter their identified Bachelor of Science program at Seminole State College of Florida with junior class standing. Students will benefit from guaranteed admission and applicability of transfer credits.

II. ELEMENTS OF THE AGREEMENT

A. Criteria for admission:

1. Participating students shall have completed the Associate of Applied Science Degree in Healthcare Simulation Technology at Wichita State University Campus of Applied Sciences and Technology
2. Participating students must have an overall G.P.A. of at least a 2.0.
3. Participating students must provide Seminole State College with official transcripts showing courses completed, degree awarded and overall grade point average.
4. Participating students must submit an application for the B.S. and official transcripts to Seminole State College of Florida, Office of Admissions, 100 Weldon Boulevard, Sanford, FL 32773 by published deadlines.

B. Wichita State University Campus of Applied Sciences and Technology agrees to:

1. Designate by July 1 of every year a staff member, who will be the primary

contact person, with the responsibility of assisting Seminole State College in the execution of this agreement.

2. Work cooperatively with Seminole State College to promote this transfer opportunity to potential students, appropriate academic and administrative personnel. This may include promoting the agreement on their website, in the academic catalog and via direct email to potential students.
3. Allow Seminole State College staff to visit the campus, participate in transfer fairs, provide individual advising opportunities and make classroom presentations.

C. Seminole State College agrees to:

1. Designate by July 1 of every year a staff person who will act as the primary contact person with the responsibility of assisting Wichita State University Campus of Applied Sciences and Technology in the execution of this agreement.
2. Work cooperatively with Wichita State University Campus of Applied Sciences and Technology to promote this opportunity to its students.
3. Provide publicity, programming, and advising services related to this Agreement.
4. Make periodic visits to Wichita State University Campus of Applied Sciences and Technology, and/or hold web meetings, in order to present to and speak with potential applicants about this Agreement.
5. Provide initial, pre-enrollment guidance to potential students.
6. Establish and maintain a webpage with information for prospective Wichita State University Campus of Applied Sciences and Technology transfer applicants with information specific to this Agreement.

D. Credit Transferability:

1. Sixty (60) credits from the completed A.A.S. degree will be accepted as a block and the student will be considered to have met the required credits listed in the charts presented in appendix A.

E. Other provisions:

1. Students must complete at least 120 credits to complete the Bachelor of Science.
2. General Education courses from the A.A.S. degree will be accepted with the understanding that students will need to take additional hours of General Education at Seminole State College of Florida to fulfill Seminole State's Baccalaureate General

Education requirements. Students may complete these additional GE requirements at Wichita State University Campus of Applied Sciences and Technology as transient students while enrolled as a Seminole State baccalaureate student.

3. Students enrolled in Seminole State College's baccalaureate degree programs must demonstrate foreign language proficiency.
4. Participating students must have an overall G.P.A. of at least a 2.0.
5. Students must complete a minimum of twenty-five (25) percent of the coursework required for the Bachelor of Science at Seminole State College of Florida.
6. All students admitted through this articulation mechanism are subject to all Seminole State College policies and procedures in the same manner as all other students.

III. SPECIAL CONSIDERATIONS:

1. Wichita State University Campus of Applied Sciences and Technology and Seminole State College will work together with the goal of enrolling at least 10 new students per academic year.
2. Wichita State University Campus of Applied Sciences and Technology and Seminole State will conduct a review of stated enrollment goals prior to the end of this agreement to determine the viability of continuing the agreement.

IV. TERMS:

1. This agreement takes effect at the beginning of the Fall 2018 term.
2. This agreement shall be renewed automatically annually for a maximum of up to five years at which time the agreement must be redrafted. The agreement is to be reviewed and is subject to change if changes are made to either institution's program of study.
3. This agreement is subject to change and/or modification by mutual written consent between the parties hereto. It is understood that this agreement may be modified by Seminole State College of Florida with the directives of the President or academic leadership at Seminole State College of Florida, the Statutes governing Seminole

State College of Florida, or the policies of the Board of Trustees of Seminole State College of Florida, or by Wichita State University Campus of Applied Sciences and Technology in accord with the directives of the President or academic leadership at Wichita State University Campus of Applied Sciences and Technology. This Agreement may be terminated by either party upon written notice to the other party, given at least one full academic year in advance of such termination date.

4. Each Institution grants permission to use each Institution's name and logo in writing solely for purposes of this agreement and only upon prior approval for each instance of use.

5. Seminole State will provide the most recent annual report then available that includes the number of students that matriculate at Seminole State to the Vice President of General Education & Health Sciences at Wichita State University Campus of Applied Sciences and Technology.

The parties hereto acknowledge and agree that Seminole State College is a political subdivision of the State of Florida. As such, the College's performance under this Agreement and any amendments hereto or attachments connected herewith, shall at all times be subject to any and all state laws, state regulations, and District Board of Trustees policies, as permitted by the State of Florida.

AGREED:

THE DISTRICT BOARD OF TRUSTEES OF SEMINOLE STATE COLLEGE OF FLORIDA

Mapping of Wichita State University Campus of Applied Sciences and Technology AAS – to Seminole State College BS Health Science, Simulation in Healthcare Education specialization degree

Wichita State University Campus of Applied Sciences and Technology Coursework to Seminole State
General Education Coursework

WSU Tech Course #	WSU Tech Course Title	Credits	SSC Course #	SSC Course Title
General Education Courses				
ENG 101	Composition I	3	ENC 1101	English I
SOC 101	Principles of Sociology	3	SYG 2000	Introduction to Sociology
SPH 111	Interpersonal Communications (Communications elective)	3	SPC 1608	Introduction to Oral Communication
HST 130	Anatomy, Physiology & Pathology for Simulation	4	BSC 2093C	Anatomy and Physiology I
Total General Education Awarded (23 additional credits needed to satisfy General Education BS requirements)				13
Technical Electives				
INF 105	A + Certification – Essentials	3	CNT 1993	Transfer Computer Networks
INF 110	A + Certification - Application	3	CNT 1994	Transfer Computer Networks
Total Technical Electives Awarded				6
Elective Courses				
HST 120	Foundations in Healthcare Simulation	5	HSC 1997	Transfer Health
HST 140	The Human Patient Simulator	3	HSC 1997	Transfer Health
HST 240	Clinical Internship in Healthcare Simulation	6	HSC 2932	Selected Studies in Health Professions
MHT 101	Intermediate Algebra	3	MAT 1033	Intermediate Algebra
HST 230	Simulation Center Mgt, Education & Research	2	HSC 1996	Transfer Health

HST 210	Moulage and Staging	5	HSC 1996	Transfer Health
CED 115	Computer Applications	3	CGS 1060C	Introduction to Computers
MEC 110	Legal and Ethical Issues in Healthcare	3	HSC 1997	Transfer Health
PDV 105	Blueprint for Personal Success	2	SLS 1101	College Success
INF 115	Network + Part I	3	CNT 1993	Transfer Computer Networks
HST110	Introduction to Simulation	1	HSC1996	Transfer Health
HST220	Operation and Maintenance	5	HSC1997	Transfer Health
Total Electives Awarded				41
Total Credits Articulated				60

BSHS Additional General Education to be taken at Seminole State College of Florida:

SSC Requirement	SSC Course #	SSC Course Title	Credits
GE Communications Area	ENC 1102	English II	3
GE Humanities (One must be Area A)			6
GE Social Science (Not Area F)			3
GE History			3
GE Natural Science (Not Area B)			3
GE Mathematics			6
TOTAL			23-24

**BSHS Upper Division Required Core Courses to be taken online at Seminole State College of Florida:
Courses for BSHS—Simulation in Healthcare Education**

Seminole State Coursework	Credits
Required Core Courses	
HSA4553 Legal and Ethical Aspects in Healthcare	3
HSC3661 Communications for Healthcare Professionals	2
LIS2004 Research Strategies for College Students	1
HSC4730 Health Sciences Research	3

HSC4922 Capstone Projects in Health Sciences	3
ECP4530 Health Care Economics	3
HSA3191 Health Information Systems	3
MAN3320 Management of Strategic Human Resources or MAN3025 Management of Organizations	3
Specialization Courses	
HSC4240 Trends and Theoretical Foundations in Healthcare Simulation	3
HSC4032 Theory and Practice of Teaching Health Science	3
HSC4245 Instructional Technologies in Healthcare Simulation	3
HSC4244 Managing a Simulation Program or Center	3
HSC4246C Simulation Operations	3
Upper Level Credits	36

Degree Credit Summary:

Total GE Transferred from AAS	13
Foundation Course credit from WSU Tech	MET
Awarded Technical Elective course credit from WSU Tech	6
Awarded Lower Division Electives from WSU Tech	41
Total Credits Transferred from WSU Tech	60
Additional General Education courses required	24
Upper Division Required courses at SSC	36
Total Credits for Degree	120
