This Request for Proposal (RFP) does not obligate WSU Tech to award a contract or complete the proposed project and each reserves the right to cancel this RFP if it is in its best interest. Proposals must be clear and concise. Proposals that are difficult to follow or that do not conform to the RFP format or binding specifications may be rejected. Responding Vendors must include the required information called for in this RFP. WSU Tech reserves the right to reject a proposal if required information is not provided or is not organized as directed.

WSU Tech also reserves the right to waive minor informalities and reserves the right to:

1. Reject any and all proposals received in response to this RFP;
2. Select a proposal for contract negotiation other than the one with the lowest cost;
3. Negotiate any aspect of the proposal with any Vendor;
4. Terminate negotiations and select the next most responsive Vendor for contract negotiations;
5. Terminate negotiations and prepare and release a new RFP; 6. Terminate negotiations and take such action as deemed appropriate.

Any decision to cancel or reject any and all proposals is in WSU Tech's sole discretion. WSU Tech also reserves the right to change the evaluation criteria or any other provision in this RFP by posting notice of the change(s) on the [Purchasing](#) section of WSU Tech's webpage. Vendors should check the site daily for updates (e.g. amendments, responses to questions) and are expected to review information on the site carefully before submitting a final proposal. Such changes or updates above constitutes written notice to each Vendor.

Proposal Content and Specifications

- A. The successful vendor will provide all labor and materials in the removal and replacement of four (4) hydronic boilers located at the NCAT campus.

B. INDEMNITY

Unless otherwise provided by law, the Contractor will fully and completely indemnify and hold harmless WSU Tech against any and all liability, loss, damages, costs or expenses for personal injury or damage to real or tangible personal property that WSU Tech may sustain, incur or be required to pay, arising out of or in connection with the performance of the Contract by reason of any negligent action/inaction or willful misconduct by the Contractor, its agents, servants or employees. These provisions shall also include any liability, which may result from a worker's compensation claim or resulting third party action against WSU Tech.

C. ASSIGNMENT OF RIGHTS, TITLES, AND INTERESTS

Any assignment or subcontracting for work to be performed related to this request, in whole or in part, and any other interest in conjunction with the College's procurement shall not be permitted without the express written consent of WSU Tech.

D. AVAILABILITY OF FUNDS

Any contract award associated with this RFP is contingent upon the availability of funding to WSU Tech. If funds for the continued fulfillment are at any time not forthcoming or are insufficient, through failure of any entity to appropriate funds or otherwise, then WSU Tech will have the right to terminate the Contract at no additional cost and with no penalty whatsoever by giving prior written notice documenting the lack of funding. WSU Tech will provide at least thirty (30) days advance written notice of such termination and will use reasonable efforts to ensure appropriated funds are available. If funds are not available, any agreement resulting from this RFP shall become null and void.

E. F.O.B.

Prices are to be quoted F.O.B. destination (inside delivery with installation). Deliveries made under this RFP will be shipped to WSU TECH locations designated when the order is issued. RFP prices shall include all delivery and installation costs. The successful proposer is responsible for ascertaining delivery requirements for each location.

F. TAX EXEMPT

WSU Tech is tax exempt by state statute. The successful vendor will be responsible for all state and local taxes including personal property tax. Such taxes must not be included in the bid price.

Proposal Content

Contractor must submit the following information in their proposal responses:

1. Scope of Services: Contractor shall provide an overview of the labor and materials to be provided; outlining the types of services offered for each of the SCOPE OF WORK criteria listed above.

If there are any services offered in addition to what the RFP has requested that may be of interest, please describe those in an additional subsection to the scope of services.

2. Services Work Plan: Contractor shall provide a description of the deliverables to be provided; including a general project timeline for implementation of services. Please describe a typical service schedule.
3. Subletting of Contract: No agreement awarded by WSU Tech shall be assigned in whole or in part without the written consent of the College. In no case shall such consent relieve the Contractor from its obligations or change the terms of the agreement. If any subcontracting duties are required, please disclose those in detail in your proposed Scope of Services.
4. Cost/Value: Provide an overview of estimated costs to WSU Tech for the Contractor's services in both a total project estimation as well as an hourly rate or monthly rate. Please include any minimum required pricing as well as additional costs for items such as, but not limited to, travel reimbursements.

For services not specifically requested herein, but for which the Contractor charges fees, or where a different level of service is proposed, please provide a description of the service and the proposed fee structure. Ancillary services should be priced in a separate cost table and should not be included in the total proposed cost included in the Scope of Services as requested.

WSU Tech reserves the right to remove any individual service contained in the RFP if based on analysis, the fees for providing such service are excessive, or if the service proposed can be performed in an alternative manner. Proposing Contractors are required to provide an annualized total for all service charges based on the assumed cost drivers. Whenever possible, please provide a discussion of the particular cost drivers and the impact changes in activity may have on cost.

Duration of Offer

All proposal responses must indicate they are valid for a minimum of one hundred eighty (180) calendar days from the date of the proposal closing unless extended by mutual written agreement of both parties.

Prices and terms of the proposal as stated must be valid for the length of the resulting contract.

RFP Terms and Conditions

This RFP includes and incorporates the Contract Provisions form. Contractors should be aware that these terms and conditions in preparing responses to this RFP. Much of the language reflected in any resulting contract with WSU Tech is required by statute. If you take exception to any of the language in the terms and conditions, you must indicate those exception in your response to the RFP; certain exception may result in your proposal being disqualified from further review and evaluation. Only those exceptions indicated in your response to the RFP will be available for discussion or negotiation.

Contract Term

Required Documents and Forms

The items below, that are checked, must be submitted with your proposal for your offer to be considered responsive to the Request for Proposal.

- Proposal Form. Project Timeline, Subcontractors, References
- Signature Sheet
- Certification regarding Immigration Reform and Control
- Contract Provisions form
- Certificate of Insurance providing WSU Tech as additionally insured upon award

**CERTIFICATION REGARDING
IMMIGRATION REFORM & CONTROL**

All Contractors are expected to comply with the Immigration and Reform Control Act of 1986 (IRCA), as may be amended from time to time. This Act, with certain limitations, requires the verification of the employment status of all individuals who were hired on or after November 6, 1986, by the Contractor as well as any subcontractor or sub-subcontractor. The usual method of verification is through the Employment Verification (I-9) Form. With the submission of this bid, the Contractor hereby certifies without exception that Contractor has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at the College's option, may subject the contract to termination and any applicable damages.

Contractor certifies that, should it be awarded a contract by **WSU Tech**, Contractor will comply with all applicable federal and state laws, standards, orders and regulations affecting a person's participation and eligibility in any program or activity undertaken by the Contractor pursuant to this contract. Contractor further certifies that it will remain in compliance throughout the term of the contract.

At **WSU Tech's** request, Contractor is expected to produce to **WSU Tech** any documentation or other such evidence to verify Contractor's compliance with any provision, duty, certification, or the like under the contract.

Contractor agrees to include this Certification in contracts between itself and any subcontractors in connection with the services performed under this contract.

**CONTRACTUAL PROVISION ATTACHMENT****Wichita State University Campus of Applied Sciences & Technology (WSU Tech)
DA-146a (Rev. 02.20)**

The parties agree that the following provisions are hereby incorporated into the agreement to which it is attached and made a part thereof:

1. **Terms Herein Controlling Provisions:** It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the agreement in which this attachment is incorporated. Any terms that conflict or could be interpreted to conflict with this attachment are nullified.
2. **Kansas Law and Venue:** The agreement shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit in connection with the agreement shall reside only in courts located in Sedgwick County, Kansas.
3. **Termination Due To Lack Of Funding Appropriation:** If sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges-hereunder, the University may terminate this agreement at the end of its current fiscal year. The University agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided under any contract for which it has not been paid. The University will pay to the contractor all regular contractual payments incurred through the end of such fiscal year plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement by the University, title to any such equipment shall revert to Contractor at the end of the University's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.
4. **Disclaimer of Liability:** No provision of this contract will be given effect that attempts to require the State of Kansas or the University to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The liability of the State of Kansas and the University is defined under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).
5. **Anti-Discrimination Clause:** Contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA), and Kansas Executive Order No. 19-02, and to not discriminate against any person because of race, color, gender, sexual orientation, gender identity or expression, religion, national origin, ancestry, age, military or veteran status, disability status, marital or family status, genetic information, or political affiliation that is unrelated to the person's ability to reasonably perform the duties of a particular job or position; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of contract and the agreement may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration; (f) if it is determined that the Contractor has violated applicable provisions of ADA, such violation shall constitute a breach of contract and the agreement may be cancelled, terminated or suspended, in whole or in part, by the University or the Kansas Department of Administration.

Contractor agrees to comply with all applicable state and federal anti-discrimination laws.

The provisions of this paragraph number 5 (with the exception of those provisions relating to the ADA) are not applicable to a Contractor who employs fewer than four employees during the term of such contract or whose contracts with the contracting State agency cumulatively total \$5,000 or less during the fiscal year of such agency.

6. **Acceptance:** The agreement shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given, including, but not limited to the signature of an authorized representative of the University, as defined in University policy.
7. **Arbitration.** Damages and Warranties: Notwithstanding any language to the contrary, no interpretation of this contract shall find that the State or the University have agreed to binding arbitration, or the payment of damages or penalties. Further, the University does not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages available to the University at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.
8. **Representative's Authority To Contract:** By signing this contract, the representative of Contractor thereby represents that such person is duly authorized by Contractor to execute this contract on behalf of Contractor and that Contractor agrees to be bound by the provisions thereof.

9. **Responsibility for Taxes:** The State of Kansas and the University shall not be responsible for, nor indemnify a Contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.
10. **Insurance:** The University/College shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require it to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), Contractor shall bear the risk of any loss or damage to any property in which Contractor holds title.
11. **Information:** No provision of this contract shall be construed as limiting the State of Kansas Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.
12. **Confidentiality.** As a state agency, the University's contracts are generally public records. Accordingly, no provision of this contract shall restrict the University's ability to produce this contract and/or any corresponding documents in response to a lawful request or from otherwise complying with the Kansas Open Records Act (K.S.A. 45-215 et seq.)
13. **The Eleventh Amendment:** The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State and the University to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment.
14. **Campaign Contributions / Lobbying:** Funds provided through a grant award or contract shall not be given or received in exchange for the making of a campaign contribution. No part of the funds provided through this contract shall be used to influence or attempt to influence an officer or employee of the University or any State of Kansas agency or a member of the Legislature regarding any pending legislation or the awarding, extension, continuation, renewal, amendment or modification of any government contract, grant, loan, or cooperative agreement.
15. **Privacy of Student Records.** Contractor understands that the University is subject to the Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (FERPA) and agrees to handle any student education records it receives pursuant to the contract in a manner that enables the University to be compliant with FERPA and its regulations. Contractor agrees to protect the privacy of student data and educational records in a commercially reasonable manner and shall not transmit, share, or disclose any data about a student without the student's written consent, except to other University officials who seek the information within the context of his/her professionally assigned responsibilities and used within the context of official University business. Contractor shall promptly report to the University any request for or improper disclosure of University's student educational records.
16. **Export Control.** Contractor agree to comply with all U.S. Laws relating to the transfer, export, or re-export of technology and technical data, as defined in the export controls under the International Traffic in Arms Regulations (ITAR) 22 Code of Federal Regulations Parts 120-130 or the Export Administration Regulations (EAR) 15 Code of Federal Regulations Parts 730-774. The release of information to any employee or other person, who is not a U.S. Citizen or permanent resident, as well as to corporations or to any other entity, organization, or group that is not incorporated or otherwise organized to do business in the United States may require advanced written authorization from the appropriate U.S. agency. Contractor shall notify University in writing prior to disclosure of any technical data or other items subject to EAR or ITAR and identify the export controlled items at issue and the applicable categories and subcategories of the United States Munitions List and/or Export Control Classification Number(s). University reserves the right to decline to accept any items or information controlled under ITAR or EAR.
17. **Certification.** Contractor certifies that to the best of its knowledge neither it nor any of their principals are presently debarred, suspended, proposed for debarment, the subject of an indictment involving the criminal statutes enumerated in 22 Code of Federal Regulations §120.27, or otherwise declared ineligible for the award of contracts by any Federal agency. Contractor shall provide immediate written notice to the University if at any time it learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
18. **Facility Access.** To the extent Contractor is required to be on the University's premises in the performance of any contract, Contractor and its representatives will adhere to the University's reasonable safety and security policies and procedures, and will use commercially reasonable efforts not to interfere with the University's regular operations. Contractor further agrees to, upon request, include the University as an additional insured on its general liability insurance policy on a primary and non-contributory basis and provide the University with a certificate of insurance.
19. **Electronic Signature.** The parties agree that the contract may be signed with electronic signatures. If an electronic signature is used, the parties agree that it is the legally binding equivalent to the signing party's handwritten signature. Whenever either party executes an electronic signature on the contract, it has the same validity and meaning as a handwritten signature. The parties agree that neither party will, at any time in the future, repudiate the meaning of an electronic signature or claim that an electronic signature is not legally binding
