Student Addresses

Sonareigh Bell - Welding

Christy Harmon - Culinary Arts

Introduction of Commencement Speaker

Dr. Sheree Utash, President, WSU Tech

Commencement Address

Sarah Lopez, County Commissioner, Sedgwick County

Presentation of Candidates

Sarah Leftwich, M.S., Vice President, Health Sciences & Grants Management, WSU Tech

Conferring of Awards

Dr. Sheree Utash, President, WSU Tech

Presentation of Awards

Presidential Congratulation

Dr. Sheree Utash, President, WSU Tech

Commencement 2024

GRADUATE CORD RECOGNITION

Red, White & Blue: Active Duty, National Guard, Reserve or Military Veteran

All active duty, National Guard, reserve, and military veterans are wearing red, white, and blue cords that signify the appreciation WSU Tech has for our military and veteran students.

Black, Gold, and White: Dual-enrolled High School Graduates

Wearing black, gold, and white cords, these graduates are crossing the graduation stage twice this year as they receive both their high school diploma and a certificate or degree from WSU Tech. Having taken full advantage of the Excel in Career and Technical Education program or dual credit courses offered through partnerships with local high schools, our high school graduates are now ready to enter the workforce or continue the next phase of their education.

Green: First-Generation Graduates

Wearing green cords, these graduates are the first in their family to attend and graduate from college. As a first-generation college student, these individuals are the trailblazers for academic success in their families and are paving the way for the generations to follow.

Burgundy and Gold: Alpha Sigma Lambda Honor Society

Wearing burgundy and gold cords, Alpha Sigma Lambda is an honor society which partners with colleges and universities to celebrate the scholarship and leadership of adult students in higher education. To be a WSU Tech Xi Iota student, individuals must have a minimum GPA of 3.2.

Black and Yellow: President's Advisory Council

Wearing white and yellow stoles and black and yellow cords, these graduates are members of the President's Advisory Council. This group provides advice on pressing student issues to the WSU Tech President through monthly meetings. These students encourage discussion on new initiatives and emergent issues and receive a \$1,000 scholarship each semester.

Kansas Promise Medallion

Students adorned with the Kansas Promise medallion are recognized as recipients of the Kansas Promise Scholarship, a testament to their commitment and academic achievements in qualifying career and technical education programs. This medallion symbolizes their dedication and the state's investment in their future potential.

Graduates, congratulations on your accomplishments!

Commencement 2024

COMMENCEMENT ADDRESS

Sarah Lopez

County Commissioner
Sedgwick County

Commissioner Sarah Lopez was born and raised in Wichita, Kansas and raised in a union machinist household. She attended area public schools and graduated from Wichita Technical Institute's Program for Information Technology and Network Administration. Sarah is serving her first term as County Commissioner for Sedgwick County's Second District, which includes parts of Wichita, Haysville, and Clearwater.

Prior to her service as Commissioner, Sarah spent 15 years working for Ascension Via Christi. She first provided clinical care and then worked the next 10 years in IT / Business Management. Sarah was promoted multiple times throughout her career with Ascension Technologies because of her strong work ethic and ability to be solution-oriented as part of a team. She has enjoyed bringing her healthcare background to the Board of Health as well as her technical experience to the County Commission. Her passion for serving on the Sedgwick County Commission is to support the people of District 2 by working tirelessly on critical issues of criminal justice reform, mental health, and workforce development.

Sarah currently serves on multiple boards, which include but are not limited to HealthCore Clinic, Exploration Place, Habitat for Humanity, Mental Health and Substance Abuse Coalition, the Hispanic Chamber of Commerce and serves as the Vice President of the Haysville Education Foundation. She is fervently committed to the health, safety, and prosperity of our hard-working individuals and families in Sedgwick County.

Sarah is married to Brent Lewis and has five children that range in age from a senior in high school to baby girl twins. Her children attend Haysville Public Schools and are engaged in football, swimming and soccer within the district. Go Colts!

Commencement 2024

PRESIDENT'S ADVISORY COUNCIL

The President's Advisory Council provides advice on pressing student issues to the WSU Tech President. Monthly meetings throughout the academic year encourage discussion on new initiatives and emergent issues.

Any graduating PAC members are indicated throughout the program with *.

GET STARTED

CLASSES START SOON · ENROLL TODAY

Whether you are wanting skills to land a high-wage, high-demand job, planning on transferring to a university or leveling up in the workforce, WSU Tech can get you there!

Follow these simple steps below to get started.

1. APPLY

Submit a free application for admission by going to WSUTECH.edu/Apply. Ready to schedule a visit? Visiting our campuses is the best way to know if WSU Tech is right for you.

2. TEST

Some students may have to test to determine which courses they're prepared to take. Consult with your Academic Advisor to see if you are exempt from testing.

3. FINANCIAL AID

Complete the Free Application for Federal Student Aid (FAFSA) by visiting StudentAid.gov. Explore more scholarship options and ways to pay for college at WSUTECH.edu/PayingForCollege.

4. CHECKLISTS

Complete the checklist that is specific to the program you wish to study. Checklists can be found on the individual program pages. Visit our Programs of Study page at WSUTECH.edu/Programs-Of-Study to see all the degree and certificate options.

5. ENROLL

Schedule your advising appointment NOW by visiting WSUTECH.edu/Contact or by visiting an academic advisor at one of our enrollment centers.

Careers start here.

WSUTECH.edu/Get-Started

**PUT YOUR NEW SKILLS TO
WORK IN A HIGH-WAGE,
HIGH-DEMAND CAREER.**

We're here to assist students, recent graduates and alumni. We can help with determining a career path, developing strategies for job searches, creating resumes, cover letters and even help prepare for interviews so you can get the job you deserve.

1

Resume Writing

2

Interview Preparation

3

Personalized Career Coaching

4

Job Search Assistance & Referrals

Accelerate

Accelerate provides a streamlined pathway from WSU Tech to Wichita State University through continuous support and guidance.

We aid with students making the decision to further their education, maximizing earned credits, and connecting them with programs that will help accomplish future career goals.

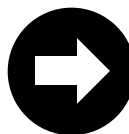

Access to the Transfer Gateway which allows students to see real-time progress toward a Wichita State degree.

Students have a liaison to help navigate the transition from WSU Tech to Wichita State University.

Aid in career advancement through higher education, and introductions to unique applied learning opportunities.

Allows students to continue their education journey without a break in learning.

Write Your Graduate's Achievement in Stone!

Celebrate your loved one's accomplishment of graduation by purchasing a personalized paver brick to be installed in the interior courtyard of WSU Tech's campus at the National Center for Aviation Training (NCAT). Bricks can be fully customized to permanently commemorate their educational journey at WSU Tech!

All funds raised from this project will go directly to the WSU Tech Foundation, which supports student scholarships and other student-focused initiatives. Bricks start at only \$100.

Simply scan the QR code or visit polarengraving.com/wsutech to place your order online.

The Foundation supports scholarships for 200+ students each year through donations like these!

Contact Courtney Sendall at csendall@wsutech.edu or 316-677-1034 with questions.
