### **Presentation of Awards**

### **Presidential Congratulation**

Dr. Sheree Utash, President, WSU Tech

### **Recessional**

Please exit the arena and greet your graduates outside the entrance of Koch Arena.

# Commencement 2025

## GRADUATE CORD RECOGNITION

### **Red, White & Blue: Active Duty, National Guard, Reserve or Military Veteran**

All active duty, National Guard, reserve, and military veterans are wearing red, white, and blue cords that signify the appreciation WSU Tech has for our military and veteran students.

### **Black, Gold, and White: Dual-enrolled High School Graduates**

Wearing black, gold, and white cords, these graduates are crossing the graduation stage twice this year as they receive both their high school diploma and a certificate or degree from WSU Tech. Having taken full advantage of the Excel in Career and Technical Education program or dual credit courses offered through partnerships with local high schools, our high school graduates are now ready to enter the workforce or continue the next phase of their education.

### **Black and Silver: eSports Graduates**

Wearing black and silver cords, these graduates competed on WSU Tech's Varsity or Junior Varsity Esports teams, representing the college in local and national tournaments. They exemplified teamwork and dedication, maintaining at least a 2.0 GPA while earning up to \$6,000 annually in scholarships and stipends.

### **Green: First-Generation Graduates**

Wearing green cords, these graduates are the first in their family to attend and graduate from college. As a first-generation college student, these individuals are the trailblazers for academic success in their families and are paving the way for the generations to follow.

### **Burgundy and Gold: Alpha Sigma Lambda Honor Society**

Wearing burgundy and gold cords, Alpha Sigma Lambda is an honor society which partners with colleges and universities to celebrate the scholarship and leadership of adult students in higher education. To be a WSU Tech Xi Iota student, individuals must have a minimum GPA of 3.2.

### **Black and Yellow: President's Advisory Council**

Wearing white and yellow stoles and black and yellow cords, these graduates are members of the President's Advisory Council. This group provides advice on pressing student issues to the WSU Tech President through monthly meetings. These students encourage discussion on new initiatives and emergent issues and receive a \$1,000 scholarship each semester.

### **Kansas Promise Medallion**

Students adorned with the Kansas Promise medallion are recognized as recipients of the Kansas Promise Scholarship, a testament to their commitment and academic achievements in qualifying career and technical education programs. This medallion symbolizes their dedication and the state's investment in their future potential.

***Graduates, congratulations on your accomplishments!***

*Commencement* 2025

# COMMENCEMENT ADDRESS

## **Dr. Alicia Thompson**

Associate Vice-President of  
PreK-12 Connections and Special  
Projects at Wichita State University

Dr. Alicia Thompson is the Associate Vice-President of PreK-12 Connections and Special Projects at Wichita State University and previously served as Superintendent of Wichita Public Schools from 2017 to 2023.

As the first woman and woman of color to lead the district in its 130 years of existence, she improved graduation rates and expanded career education opportunities.

Dr. Thompson played a pivotal role in creating the Early College Program and the Future Ready Center, initiatives that have had a lasting impact on students' success.

She has led impactful programs like Wichita State Connect and the Superintendent Legacy Foundation and remains dedicated to advancing education, fostering inclusive learning, and building strong community partnerships.

*Commencement* 2025

# PRESIDENT'S ADVISORY COUNCIL

The President's Advisory Council provides advice on pressing student issues to the WSU Tech President. Monthly meetings throughout the academic year encourage discussion on new initiatives and emergent issues.

Any graduating PAC members are indicated throughout the program with \*.

## President's Advisory Council Members

**Michael Hernandez – PAC Chair\***

Associate of Applied Science: Applied Technologies – Criminal Justice  
Technical Certificate: Criminal Justice – Emergency Medical Services

**Bryce Scarberry – PAC Vice Chair\***

Associate of Applied Science: Alternative Fuel Vehicle Maintenance and Advanced Electronics  
Technical Certificate: Mobile Equipment Technology

**Emily Hamilton – PAC Representative**

**Sharon Mitchell – PAC Representative\***

Associate of Applied Science: Interior Design

**Daniele Phillips – PAC Representative**

**Ruth Seeliger – PAC Representative**

**Lawrence Martin – PAC Representative\***

Associate of Applied Science: Aviation Maintenance Technology  
Technical Certificate: Aviation Maintenance Airframe

# GET STARTED

CLASSES START SOON · ENROLL TODAY

Whether you are wanting skills to land a high-wage, high-demand job, planning on transferring to a university or leveling up in the workforce, WSU Tech can get you there!

Follow these simple steps below to get started.

## 1. APPLY

Submit a free application for admission by going to [WSUTECH.edu/Apply](https://WSUTECH.edu/Apply). Ready to schedule a visit? Visiting our campuses is the best way to know if WSU Tech is right for you.

## 2. TEST

Some students may have to test to determine which courses they're prepared to take. Consult with your Academic Advisor to see if you are exempt from testing.

## 3. FINANCIAL AID

Complete the Free Application for Federal Student Aid (FAFSA) by visiting [StudentAid.gov](https://StudentAid.gov). Explore more scholarship options and ways to pay for college at [WSUTECH.edu/PayingForCollege](https://WSUTECH.edu/PayingForCollege).

## 4. CHECKLISTS

Complete the checklist that is specific to the program you wish to study. Checklists can be found on the individual program pages. Visit our Programs of Study page at [WSUTECH.edu/Programs-Of-Study](https://WSUTECH.edu/Programs-Of-Study) to see all the degree and certificate options.

## 5. ENROLL

Schedule your advising appointment NOW by visiting [WSUTECH.edu/Contact](https://WSUTECH.edu/Contact) or by visiting an academic advisor at one of our enrollment centers.

# Accelerate

Accelerate provides a streamlined pathway from WSU Tech to Wichita State University through continuous support and guidance.

We aid with students making the decision to further their education, maximizing earned credits, and connecting them with programs that will help accomplish future career goals.

Access to the Transfer Gateway which allows students to see real-time progress toward a Wichita State degree.

Students have a liaison to help navigate the transition from WSU Tech to Wichita State University.

Aid in career advancement through higher education, and introductions to unique applied learning opportunities.

Allows students to continue their education journey without a break in learning.

For more information about transferring, please visit [WSUTECH.edu/Accelerate](https://WSUTECH.edu/Accelerate)

# Write Your Graduate's Achievement in Stone!

MICHELLE DILKS  
WSU TECH  
CLASS OF 2024

Celebrate your loved one's accomplishment of graduation by purchasing a personalized paver brick to be installed in the interior courtyard of WSU Tech's campus at the National Center for Aviation Training (NCAT). Bricks can be fully customized to permanently commemorate their educational journey at WSU Tech!

All funds raised from this project will go directly to the WSU Tech Foundation, which supports student scholarships and other student-focused initiatives. Bricks start at only \$100.

Simply visit  
[polarengraving.com/wsutech](https://polarengraving.com/wsutech)  
to place your order online.

The Foundation supports scholarships for 400+ students each year through donations like these!

Contact Courtney Sendall at [csendall@wsutech.edu](mailto:csendall@wsutech.edu) or 316-677-1034 with questions.
