Federal regulations, effective July 1, 2001, do not allow parents to automatically be included in the number in college on the Free Application for Federal Student Aid (FAFSA). If you wish to have a parent counted as attending college, you must request a Professional Judgment review. To be considered as a family member attending college, the parent must meet the following criteria:

1. Attend an eligible institution at least half-time as defined by the institution, during the 2022-2023 academic year.
2. The program in which the parent is enrolled must lead to a college degree or certificate.

Please complete section A and take this form to parent’s college/university Registrar Office for completion of section B, after July 1, for Fall enrollment; November 1, for Spring enrollment; and April 1, for Summer enrollment.
