

# Parent School Consortium Agreement 2022-2023

The two institutions named below are herein entering into a consortium agreement for:

Student Name	WSU Tech Program
--------------	------------------

**Home Institution:** WSU Tech

**Host Institution:** \_\_\_\_\_

WSU Tech will grant the degree, calculate the awards, disburse financial aid, monitor satisfactory academic progress and determine refund/repayment.

### Student Responsibilities

- The student must initiate the consortium process by bringing a course schedule from the host institution to WSU Tech.
- Payment for classes at the host institution is the responsibility of the student, regardless of financial aid eligibility.
- Student must notify each school when dropping or withdrawing from a class.
- Student is required to provide their grades to WSU Techs Financial Aid office. \*

**Procedure for calculating awards:** The student's award(s) will be based on total enrollment status at the host institution and WSU Tech. The student's budget will be based on total tuition and fees at WSU Tech and the host institution and WSU Tech's allowance for books and supplies, room and board, transportation and miscellaneous expenses.

**Procedure for disbursing awards:** WSU Tech will disburse financial aid (according to its policies) after the student has been awarded, accepted the awards, attended the first day of class at the host institution and the signed consortium agreement has been received from the host institution.

**Procedure for determining refund/repayment:** WSU Tech will use its policy to determine the necessary refund/repayment if the student withdraws from any or all classes at WSU Tech and host institution. If a refund or repayment is necessary, WSU Tech will be responsible for returning funds to the appropriate program(s).

**Procedure for keeping records:** WSU Tech will be responsible for maintaining copies of all documentation required for the student to receive financial aid through the consortium agreement process.

**Other student eligibility requirements:** WSU Tech will be responsible for determining that the student has applied for admission as a regular degree seeking student in an eligible program and has been officially admitted.

*\*An official transcript is not necessary; a copy of grades will be sufficient. No aid for subsequent semesters will be posted until grades are received.*
