Refund policy

Summary of Refund Policy: It is the policy of WSU Tech to refund tuition and certain other charges only for courses that are dropped by these dates:

9th calendar day for courses of 8 weeks to 16 weeks in length

5th calendar day for courses of 3 weeks to less than 8 weeks in length

1st calendar day for credit courses less than 3 weeks in length, and for all non-credit courses

In rare cases, refunds may be considered for courses that are dropped after the dates shown above. Examples of rare cases may include death of an immediate family member, the student's own serious injury or illness, serious injury or illness of someone that was dependent upon the student for support and care, and military deployment. Incarceration is not considered a legitimate basis for an appeal and any such claims will be rejected.

The Tuition Refund Appeal Form may be submitted electronically, or by fax to 316-677-9555, or submitted in hard-copy to the WSU Tech Business Office. These are the deadlines for submitting a Tuition Refund Appeal Form:

- ◆ For courses dropped in the spring semester, the Appeal Form must be received by September 1st of the same calendar year
- ◆ For courses dropped in the summer term, the Appeal Form must be received by November 1st of the same calendar year.
