## I. Purpose:

Wichita State College of Applied Sciences and Technology and Technology (WSU Tech) is committed to the elimination of sexual misconduct, relationship violence, and stalking within the College community. These incidents may interfere with or limit an individual's ability to benefit from or fully participate in the College's educational programs. Additionally, these incidents may cause serious physical and/or psychological harm. WSU Tech maintains a comprehensive program to prevent these behaviors, provides resources to assist and support those who are involved in such incidents, and will respond promptly and equitably to reports of sexual misconduct, relationship violence, and stalking. The College has a responsibility to eliminate the behavior, prevent its recurrence, and address its effects on any individual and/or the community. Retaliatory actions against any individual involved in reporting or participating in the investigation of a complaint will not be tolerated.

## II. Scope

- A. This policy prohibits all forms of discrimination on the basis of sex. Sometimes, discrimination involves the exclusion from activities, such as admission or employment. Other times, discrimination takes the form of harassment or, can encompass sexual harassment, sexual assault, stalking, sexual exploitation, dating violence or domestic violence. When an alleged violation of this policy is reported, the allegations are subject to resolution using the Formal Grievance Process as determined by the Title IX Coordinator, and as detailed below.

- B. When the Respondent is a member of the College community, the grievance process may be available regardless of the status of the Complainant, who may or may not be a member of the College community. This community includes, but is not limited to, students, student organizations, faculty, administrators, staff, and third parties such as guests, visitors, volunteers, and contractors. ### **III. NOTICE/COMPLAINTS OF DISCRIMINATION, HARASSMENT, AND/OR RETALIATION**

- A.** Notice or complaints of discrimination, harassment, and or retaliation may be made using any of the following options:
1. File a complaint with, or give verbal notice to the Title IX Coordinator, Deputy Title IX Coordinator, or any OWA (see contact information above). Reports may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail to the office address, listed for the Title IX Coordinator or any other official listed.
  2. Report online, using the report form posted at:  
[https://cm.maxient.com/reportingform.php?WSUTech&layout\\_id=0](https://cm.maxient.com/reportingform.php?WSUTech&layout_id=0). Anonymous reports are accepted but can give rise to a need to investigate. The College tries to provide supportive measures to all Complainants, which is impossible with an anonymous report. Because reporting carries no obligation to initiate a formal response, and as the College respects Complainant requests to dismiss complaints unless there is a compelling threat to health and/or safety, the Complainant is largely in control and should not fear a loss of privacy by making a report that allows the College to discuss and/or provide supportive measures.
  3. WSU Tech Safety & Security – 316-677-1911
- B.** A Formal Complaint means a document filed/signed by the Complainant or signed by the Title IX Coordinator alleging a policy violation by a Respondent and requesting that the College investigate the allegation(s). A complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information in the section immediately above, or as described in this section. As used in this paragraph, the phrase “document filed by a Complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the College that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the complaint.
- C.** If notice is submitted in a form that does not meet this standard, the Title IX Coordinator will contact the Complainant to ensure that it is filed correctly.

### **IV. COLLEGE RESPONSE**

**A. Supportive Measures**

1. The College will offer and implement appropriate and reasonable supportive measures to the parties upon notice of alleged harassment, discrimination, and/or retaliation.
2. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the parties to restore or preserve access to the College's education program or activity, including measures designed to protect the safety of all parties or the College's educational environment, and/or deter harassment, discrimination, and/or retaliation.
3. The Title IX Coordinator shall make every effort to promptly make supportive measures available to the parties upon receiving notice or a complaint. At the time that supportive measures are offered, the College will inform the Complainant, in writing, that they may file a formal complaint with the College either at that time or in the future, if they have not done so already. The Title IX Coordinator works with the Complainant to ensure that their wishes are taken into account with respect to the supportive measures that are planned and implemented.
4. The College will maintain the privacy of the supportive measures, provided that privacy does not impair the College's ability to provide the supportive measures. The College will act to ensure as minimal an academic impact on the parties as possible. The College will implement measures in a way that does not unreasonably burden the other party.
5. These actions may include, but are not limited to:
  - Referring to counseling, medical, and/or other healthcare services
  - Referring to the Employee Assistance Program
  - Assisting with visa and immigration
  - Counseling for student financial aid
  - Referring to community-based service providers
  - Altering work arrangements for employees or student-employees
  - Preparing safety plan
  - Providing campus safety escorts
  - Supporting no contact orders between the parties
  - Providing academic support, extensions of deadlines, or other course/program-related adjustments
  - Issuing College No Trespass Notice
  - Issuing timely warnings

- Modification of class schedule, withdrawals, or leaves of absence
  - Increasing security and monitoring of certain areas of the campus
  - Any other actions deemed appropriate by the Title IX Coordinator
6. Violations of no contact orders will be referred to appropriate student or employee conduct processes for enforcement.

## **B. Emergency Removal**

1. The College can act to remove a Respondent entirely or partially from its education program or activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any student or other individual justifies removal. This risk analysis is performed by the Title IX Coordinator in conjunction with the CARE Team using its standard objective violence risk assessment procedures.
2. In all cases in which an emergency removal is imposed, the student or employee will be given notice of the action and the option to request to meet with the Title IX Coordinator and/or Vice President, People and Culture prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified.
3. This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested in a timely manner, objections to the emergency removal will be deemed waived. A Complainant and their Advisor may be permitted to participate in this meeting if the Title IX Coordinator and/or Vice President, People and Culture determines it is equitable to do so. There is no appeal process for emergency removal decisions.
4. A Respondent may be accompanied by an Advisor of their choice when meeting with the Title IX Coordinator and/or Vice President, People and Culture for the show cause meeting. The Respondent will be given access to a written summary of the basis for the emergency removal prior to the meeting to allow for adequate preparation.
5. The Title IX Coordinator and/or Vice President, People and Culture has sole discretion under this policy to implement or stay an emergency removal and to determine the conditions and

duration. Violation of an emergency removal under this policy will be grounds for discipline, which may include expulsion or termination.

6. The College will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator and/or Vice President, People and Culture, these actions could include, but are not limited to: temporarily reassigning an employee, restricting a student's or employee's access to or use of facilities or equipment, allowing a student to withdraw or take grades of incomplete without financial penalty, authorizing an administrative leave, and suspending a student's participation in extracurricular activities, and student employment.
7. At the discretion of the Title IX Coordinator, alternative coursework options may be pursued to ensure as minimal an academic impact as possible on the parties.

#### **C. Promptness**

1. All allegations are acted upon promptly by the College once it has received notice or a formal complaint. Complaints can take 60-90 business days to resolve, typically. There are always exceptions and extenuating circumstances that can cause a resolution to take longer, but the College will avoid all undue delays within its control.
2. Any time the general timeframes for resolution outlined in College procedures will be delayed, the College will provide written notice to the parties of the delay, the cause of the delay, and an estimate of the anticipated additional time that will be needed as a result of the delay.

#### **D. Privacy**

1. Every effort is made by the College to preserve the privacy of reports. The College will not share the identity of any individual who has made a report or complaint of harassment, discrimination, or retaliation; any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, or any witness, except as permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g; FERPA regulations, 34 CFR part 99; or as required by law; or to carry out the purposes of 34 CFR Part 106, including the conducting of any investigation, hearing, or grievance proceeding arising under these policies and procedures.

2. The College reserves the right to designate which College officials have a legitimate educational interest in being informed about incidents that fall within this policy, pursuant to the Family Educational Rights and Privacy Act (FERPA).
3. Only a small group of officials who need to know will typically be told about the complaint. Information will be shared as necessary with Investigators, Hearing Panel members/Decision-makers, witnesses, and the parties. The circle of people with this knowledge will be kept as tight as possible to preserve the parties' rights and privacy.
4. Confidentiality and mandated reporting are addressed more specifically below.

## **V. COLLEGE JURISDICTION**

### **A. Application of Policy**

1. This policy applies to the education program and activities of the College, and to conduct that takes place on the campus or on property owned or controlled by the College, or at College sponsored events. The Respondent must be a member of the College's community for its policies to apply.
2. This policy can also be applicable to the effects of off-campus misconduct that effectively deprives someone of access to the College's educational program. The College may also extend jurisdiction to off-campus and/or to online conduct when the Title IX Coordinator determines that the conduct affects a substantial College interest.
3. Regardless of where the conduct occurred, the College will address notice/complaints to determine whether the conduct occurred in the context of its employment or educational program or activity and/or has continuing effects on campus or in an off-campus sponsored program or activity. A substantial College interest includes:
  - a. Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law;
  - b. Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any student or other individual;
  - c. Any situation or conduct that significantly impinges upon the rights, property, or achievements of oneself or others or

significantly breaches the peace and/or causes social disorder; and/or

- d. Any situation that is detrimental to the educational interests or mission of the College.
4. If the Respondent is unknown or is not a member of the College community, the Title IX Coordinator will assist the Complainant in identifying appropriate campus and local resources and supportive measures and/or, when criminal conduct is alleged, in contacting local or campus law enforcement if the individual would like to file a police report.
5. In addition, the College may take other actions as appropriate to protect the Complainant against third parties, such as barring individuals from College property and/or events.
6. When the Respondent is enrolled in or employed by another institution, the Title IX Coordinator can assist the Complainant in liaising with the appropriate individual at that institution, as it may be possible to allege violations through that institution's policies.
7. Similarly, the College may be able to advocate for a student or employee Complainant who experiences discrimination in an internship or other environment external to the College where sexual harassment or nondiscrimination policies and procedures of the facilitating or host organization may give recourse to the Complainant.

## **B. Time Limits on Reporting**

1. There is no time limitation on providing notice/complaints to the Title IX Coordinator. However, if the Respondent is no longer subject to the College's jurisdiction and/or significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible.
2. Acting on notice/complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator, who may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.
3. When notice/complaint is affected by significant time delay, the College will typically apply the policy in place at the time of the alleged misconduct and the procedures in place at the time of notice/complaint.

## **C. Online Harassment and Misconduct**

1. College policies are written and interpreted broadly to include online and cyber manifestations of any of the behaviors prohibited below, when those behaviors occur in or have an effect on the College's education program and activities or use College networks, technology, or equipment.
2. While the College may not control websites, social media, and other venues in which harassing communications are made, when such communications are reported to the College, it will engage in a variety of means to address and mitigate the effects.
3. Any online postings or other electronic communication by students, including cyber-bullying, cyber-stalking, cyber-harassment, etc., occurring completely outside of the College's control (e.g., not on College networks, websites, or between College email accounts) will only be subject to this policy when such online conduct can be shown to cause a substantial in-program disruption.
4. Otherwise, such communications are considered speech protected by the First Amendment. Supportive measures for Complainants will be provided, but protected speech cannot legally be subjected to discipline.
5. Off-campus harassing speech by employees, whether online or in person, may be regulated by the College only when such speech is made in an employee's official or work-related capacity.

1. The Department of Education's Office for Civil Rights (OCR), the Equal Employment Opportunity Commission (EEOC), and the state of Kansas regard Sexual Harassment, a specific form of discriminatory harassment, as an unlawful discriminatory practice.

- 2. Sexual exploitation. Occurs when a person engages in non-consensual or abusive conduct that takes sexual advantage of another individual for the person's own advantage or benefit, or to benefit or advantage anyone other than the individual being exploited and does not constitute any other offense addressed in this Policy.
- 3. Discrimination on the basis of sexual orientation, gender identity or gender expression. Providing differential treatment on the basis of sexual orientation, gender identity or gender expression.
- 4. Discrimination against pregnant and parenting students

**G. Force, Coercion, Consent, and Incapacitation**

- 1. As used in the offenses above, the following definitions apply:
  - a. **Force:** Force is the use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent.

Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the

absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

- b. **Coercion:** Coercion is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.
- c. **Consent:**
  - a. Is: knowing, and voluntary, and clear permission by word or action to engage in sexual activity.
  - b. Since individuals may experience the same interaction in different ways, it is the responsibility of each party to determine that the other has consented before engaging in the activity.
  - c. If consent is not clearly provided prior to engaging in the activity, consent may be ratified by word or action at some point during the interaction or thereafter.
  - d. Consent can also be withdrawn once given, if the withdrawal is reasonably and clearly communicated. If consent is withdrawn, that sexual activity should cease within a reasonable time.
  - e. Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not enough to constitute consent.
  - f. Proof of consent or non- consent and the burden of collecting evidence sufficient to reach a determination regarding responsibility, rests on the College, not the parties.
  - g. The burden remains on the College to determine whether its policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged incident occurred and any similar, previous patterns that may be evidenced.

2. **Incapacitation:** A person cannot consent if they are unable to understand what is happening or is disoriented, helpless, asleep, or unconscious, for any reason, including by alcohol or other drugs. As stated above, a Respondent violates this policy if they engage in sexual activity with someone who is incapable of giving consent.
  - a. It is a defense to a sexual assault policy violation that the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated. “Should have known” is an objective, reasonable person standard which assumes that a reasonable person is both sober and exercising sound judgment.
  - b. Incapacitation occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction).
  - c. Incapacitation is determined through consideration of all relevant indicators of an individual’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.
  - d. This policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating drugs.

#### **H. Sexual Exploitation**

1. In addition to the forms of sexual harassment described above, which fall within the coverage of Title IX, the College prohibits Sexual Exploitation as a form of discrimination.
2. Sexual Exploitation means: taking non-consensual or abusive sexual advantage of another for their own benefit or for the benefit of anyone other than the person being exploited, and that conduct does not otherwise constitute sexual harassment under this policy. Examples of Sexual Exploitation include, but are not limited to:
  - a. Sexual voyeurism (such as observing or allowing others to observe a person undressing or using the bathroom or engaging in sexual acts, without the consent of the person being observed)
  - b. Invasion of sexual privacy
  - c. Taking pictures, video, or audio recording of another in a sexual act, or in any other sexually-related activity when

there is a reasonable expectation of privacy during the activity, without the consent of all involved in the activity, or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person's consent), including the making or posting of revenge pornography

- d. Prostituting another person
- e. Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or a sexually-transmitted disease (STD) or infection (STI), without informing the other person of the infection
- f. Causing or attempting to cause the incapacitation of another person (through alcohol, drugs, or any other means) for the purpose of compromising that person's ability to give consent to sexual activity, or for the purpose of making that person vulnerable to non-consensual sexual activity
- g. Misappropriation of another person's identity on apps, websites, or other venues designed for dating or sexual connections
- h. Forcing a person to take an action against that person's will by threatening to show, post, or share information, video, audio, or an image that depicts the person's nudity or sexual activity
- i. Knowingly soliciting a minor for sexual activity
- j. Engaging in sex trafficking
- k. Creation, possession, or dissemination of child pornography
- l. Stealthing (The practice of a man covertly removing or damaging a condom during sexual intercourse, when his partner has only consented to condom-protected sex)

## **I. Other Civil Rights Offenses**

- 1. Violation of any other College policies may constitute a Civil Rights Offense when a violation is motivated by actual or perceived membership in a protected class, and the result is a

discriminatory limitation or denial of employment or educational access, benefits, or opportunities.

**J. Retaliation**

1. Protected activity under this policy includes reporting an incident that may implicate this policy, participating in the grievance process, supporting a Complainant or Respondent, assisting in providing information relevant to an investigation, and/or acting in good faith to oppose conduct that constitutes a violation of this Policy.
2. Acts of alleged retaliation should be reported immediately to the Title IX Coordinator and will be promptly investigated. The College is prepared to take appropriate steps to protect individuals who fear that they may be subjected to retaliation.
3. It is prohibited for the College or any member of the College community to take materially adverse action by intimidating, threatening, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy and procedure.
4. Charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.
5. The exercise of rights protected under the First Amendment does not constitute retaliation.
6. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy and procedure does not constitute retaliation, provided that a determination regarding responsibility, alone, is not sufficient to conclude that any party has made a materially false statement in bad faith.

**K. Notice to Mandated Reporters (Responsible Employees)**

1. All College employees with the exception of those who are specifically designated as Confidential Resources, are Mandated Reporters (“Responsible Employees”) and must promptly share with the Title IX Coordinator all known details of a report made to

them in the course of their employment. A “Responsible Employee” includes any employee who:

- a. Has the duty to report to appropriate school officials sexual harassment or any other misconduct by students or employees; or
  - b. A student, employee or visitor could reasonably believe has the authority or responsibility to take action.
2. Employees must also promptly share all details of behaviors under this policy that they observe or have knowledge of, even if not reported to them by a Complainant or third-party.
3. Complainants may want to carefully consider whether they share personally identifiable details with non-confidential Mandated Reporters, as those details must be shared with the Title IX Coordinator.
4. Generally, disclosures in climate surveys, classroom writing assignments or discussions, or at events such as “Take Back the Night” marches or speak-outs do not provide notice that must be reported to the Coordinator by employees, unless the Complainant clearly indicates that they desire a report to be made or a seek a specific response from the College.
5. Supportive measures may be offered as the result of such disclosures without formal College action.
6. Failure of a Mandated Reporter, as described above in this section, to report an incident of harassment or discrimination of which they become aware is a violation of College policy and can be subject to disciplinary action for failure to comply.
7. When a Mandated Reporter is engaged in harassment or other violations of this policy, they still have a duty to report their own misconduct, though the College is not on notice when a harasser is also a Mandated Reporter unless the harasser does in fact report themselves.
8. Finally, it is important to clarify that a Mandated Reporter who is themselves a target of harassment or other misconduct under this policy is not required to report their own experience, though they are, of course, encouraged to do so.

#### **L. When a Complainant Does Not Wish to Proceed**

1. If a Complainant does not wish for their name to be shared with the respondent, does not wish for an investigation to take place, or

does not want a formal complaint to be pursued, they may make such a request to the Title IX Coordinator, who will evaluate that request in light of the duty to ensure the safety of the campus and to comply with state or federal law.

2. The Title IX Coordinator has ultimate discretion over whether the College proceeds when the Complainant does not wish to do so, and the Title IX Coordinator may sign a formal complaint to initiate a grievance process upon completion of an appropriate violence risk assessment.
3. The Title IX Coordinator's decision should be based on results of the violence risk assessment that show a compelling risk to health and/or safety that requires the College to pursue formal action to protect the community.
4. A compelling risk to health and/or safety may result from evidence of patterns of misconduct, predatory conduct, threats, abuse of minors, use of weapons, and/or violence. The College may be compelled to act on alleged employee misconduct irrespective of a Complainant's wishes.
5. The Title IX Coordinator must also consider the effect that non-participation by the Complainant may have on the availability of evidence and the College's ability to pursue a Formal Grievance Process fairly and effectively.
6. When the Title IX Coordinator executes the written complaint, they do not become the Complainant. The Complainant is the individual who is alleged to be the victim of conduct that could constitute a violation of this policy.
7. When the College proceeds, the Complainant (or their Advisor) may have as much or as little involvement in the process as they wish. The Complainant retains all rights of a Complainant under this Policy irrespective of their level of participation. Typically, when the Complainant chooses not to participate, the Complainant may request that their Advisor serve as proxy for the Complainant throughout the process, acting to ensure and protect the rights of the Complainant, not in the Complainant's place as a party.
8. Note that the College's ability to remedy and respond to notice may be limited if the Complainant does not want the College to proceed with an investigation and/or grievance process. The goal is to provide the Complainant with as much control over the process as possible, while balancing the College's obligation to protect its community.

9. In cases in which the Complainant requests confidentiality/no formal action and the circumstances allow the College to honor that request, the College will offer informal resolution options (see below), supportive measures, and remedies to the Complainant and the community, but will not otherwise pursue formal action.
10. If the Complainant elects to take no action, they can change that decision if they decide to pursue a formal complaint at a later date. Upon making a formal complaint, a Complainant has the right, and can expect, to have allegations taken seriously by the College, and to have the incidents investigated and properly resolved through these procedures.

**M. Federal Timely Warning Obligations**

1. Parties reporting sexual assault, domestic violence, dating violence, and/or stalking should be aware that under the Clery Act the College must issue timely warnings for incidents reported to them that pose a serious or continuing threat of bodily harm or danger to members of the campus community.
2. The College will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

**N. False Allegations and Evidence**

1. Deliberately false and/or malicious accusations under this policy, as opposed to allegations which, even if erroneous, are made in good faith, are a serious offense and will be subject to appropriate disciplinary action.
2. Additionally, witnesses and parties knowingly providing false evidence, tampering with or destroying evidence after being directed to preserve such evidence, or deliberately misleading an official conducting an investigation can be subject to discipline under College policy.

**O. Amnesty for Complainants and Witnesses**

1. The College community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report to College officials or participate in grievance processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

2. It is in the best interests of the College community that Complainants choose to report misconduct to College officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.
3. To encourage reporting and participation in the process, the College maintains a policy of offering parties and witnesses amnesty from minor policy violations – such as underage consumption of alcohol or the use of illicit drugs – related to the incident.
4. Amnesty does not apply to more serious allegations such as physical abuse of another or illicit drug distribution. The decision not to offer amnesty to a Respondent is based on neither sex nor gender, but on the fact that collateral misconduct is typically addressed for all students within a progressive discipline system, and the rationale for amnesty – the incentive to report serious misconduct – is rarely applicable to Respondent with respect to a Complainant.
5. Sometimes, students are hesitant to assist others for fear that they may get in trouble themselves (for example, an underage student who has been drinking or using marijuana might hesitate to help take an individual who has experienced sexual misconduct to campus security).
6. The College maintains a policy of amnesty for students who offer help to others in need. While policy violations cannot be overlooked, the College may provide purely educational options with no official disciplinary finding, rather than punitive sanctions, to those who offer their assistance to others in need.

**P. Federal Statistical Reporting Obligations**

1. Campus officials – those deemed as Campus Security Authorities – have a duty to report the following for federal statistical reporting purposes (Clery Act):
  - a. All “primary crimes,” which include homicide, sexual assault, robbery, aggravated assault, burglary, motor vehicle theft, and arson;
  - b. Hate crimes, which include homicide, sexual assault, robbery, aggravated assault, burglary, motor vehicle theft, and arson;
  - c. VAWA – based crimes, which include sexual assault, domestic violence, dating violence, and stalking; and

- d. Arrests and referrals for disciplinary action for weapons-related law violations, liquor-related law violations, and drug abuse-related law violations.

- Q. All personally identifiable information is kept private, but statistical information must be passed along to campus administration regarding the type of incident and its general location (on or off-campus or in the surrounding area, but no addresses are given) for publication in the Annual Fire and Safety Report and daily campus crime log.

## **VIII. INTERIM RESOLUTION PROCESS FOR ALLEGED VIOLATIONS OF SEXUAL HARASSMENT, DISCRIMINATION AND RETALIATION POLICY**

### **A. Overview**

1. The College will act on any formal or informal notice/complaint of violation of the Policy, Procedures, and Guide to Preventing, Reporting, and Responding to Sexual Misconduct (“the Policy”) that is received by the Title IX Coordinator or any other Official with Authority by applying these procedures.
2. The procedures below apply **only** to qualifying allegations of sexual harassment (including sexual assault, dating violence, domestic violence, and stalking, as defined above) involving students, staff, administrators or faculty members.

### **B. Notice / Complaint**

1. Upon receipt of a complaint or notice to the Title IX Coordinator of an alleged violation of the Policy, the College initiates a prompt initial assessment to determine the next steps the College needs to take.
2. The College will initiate at least one of three responses:
  - a. Offering supportive measures because the Complainant does not want to proceed formally;
  - b. An informal resolution;
  - c. A Formal Grievance Process including an investigation and a hearing.
3. The investigation and grievance process will determine whether or not the Policy has been violated. If so, the College will promptly implement effective remedies designed to ensure that it is not deliberately indifferent to harassment or discrimination, their potential recurrence, or their effects.

## **C. Initial Assessment**

1. Following receipt of notice or a complaint of an alleged violation of this Policy, the Title IX Coordinator engages in an initial assessment, which is typically one to five business days in duration. The steps in an initial assessment can include:
  - a. If notice is given, the Title IX Coordinator seeks to determine if the person impacted wishes to make a formal complaint, and will assist them to do so, if desired.
    - i. If they do not wish to do so, the Title IX Coordinator determines whether to initiate a complaint because a violence risk assessment indicates a compelling threat to health and/or safety.
  - b. If a formal complaint is received, the Title IX Coordinator assesses its sufficiency and works with the Complainant to make sure it is correctly completed.
  - c. The Title IX Coordinator reaches out to the Complainant to offer supportive measures.
  - d. The Title IX Coordinator works with the Complainant to ensure they are aware of the right to have an Advisor.
  - e. The Title IX Coordinator works with the Complainant to determine whether the Complainant prefers a supportive and remedial response, an informal resolution option, or a formal investigation and grievance process.
  - f. If a supportive and remedial response is preferred, the Title IX Coordinator works with the Complainant to identify their wishes and then seeks to facilitate implementation. No Formal Grievance Process is initiated, though the Complainant can elect to initiate one later, if desired.
  - g. If an informal resolution option is preferred, the Title IX Coordinator assesses whether the complaint is suitable for informal resolution, whether an informal process may serve the situation best or is available, and may seek to determine if the Respondent is also willing to engage in informal resolution.
  - h. If a Formal Grievance Process is preferred, the Title IX Coordinator determines if the misconduct alleged falls within the scope of Title IX:

- i. If it does, the Title IX Coordinator will initiate the formal investigation and grievance process, directing the investigation to address:
  - an incident, and/or a pattern of alleged misconduct, and/or a culture/climate issue, based on the nature of the complaint.
- ii. If it does not, the Title IX Coordinator determines that Title IX does not apply (and will “dismiss” that aspect of the complaint, if any), assesses which policies may apply, which resolution process is applicable and will refer the matter accordingly. Or refers the matter for resolution under other College policy(s). Please note that dismissing a complaint under Title IX is procedural and does not limit the College’s authority to address a complaint with an appropriate process and remedies.

**D. Violence Risk Assessment**

1. In many cases, the Title IX Coordinator may determine that a Violence Risk Assessment (VRA) should be conducted by the CARE team if the Respondent is a student or student employee as part of the initial assessment. A VRA aids in ten critical and/or required determinations, including:
  - a. Emergency removal of a Respondent on the basis of immediate threat to physical health/safety;
  - b. Whether the Title IX Coordinator should pursue/sign a formal complaint absent a willing/able Complainant;
  - c. Whether to put the investigation on the footing of incident and/or pattern and/or climate;
  - d. To help identify potential predatory conduct;
  - e. To help assess/identify grooming behaviors;
  - f. Whether it is reasonable to try to resolve a complaint through informal resolution, and what modality may be most successful;
  - g. Whether to permit a voluntary withdrawal by the Respondent;
  - h. Whether to impose transcript notation or communicate with a transfer College about a Respondent;

- i. Assessment of appropriate sanctions/remedies (to be applied post-hearing); and/or
  - j. Whether a Clery Act Timely Warning and/or Trespass order is needed.
2. VRAs require specific training and are typically conducted by psychologists, clinical counselors, social workers, case managers, law enforcement officers, student conduct officers, or other CARE team members. A VRA requested by the Title IX Coordinator should occur in collaboration with the CARE team or threat assessment team. Where a VRA is required by the Title IX Coordinator, a Respondent refusing to cooperate may result in a charge of failure to comply within the appropriate student or employee conduct process.

**E. Dismissal (Mandatory and Discretionary)**

- 1. The College must dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:
  - a. The conduct alleged in the formal complaint would not constitute sexual harassment as defined in the Policy hereinabove, even if proved; and/or
  - b. The conduct did not occur in an educational program or activity controlled by the College (including buildings or property controlled by recognized student organizations), and/or the College does not have control of the Respondent; and/or
  - c. The conduct did not occur against a person in the United States; and/or
  - d. At the time of filing a formal complaint, a complainant is not participating in or attempting to participate in the education program or activity of the College.
- 2. The College may dismiss a formal complaint or any allegations therein if, at any time during the investigation or hearing:
  - a. A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations therein; or
  - b. The Respondent is no longer enrolled in or employed by the College; or

- c. Specific circumstances prevent the College from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.
3. Upon any dismissal, the College will promptly send written notice of the dismissal and the rationale for doing so simultaneously to the parties.
4. This dismissal decision is appealable by any party under the procedures for appeal below. The decision not to dismiss is also appealable by any party claiming that a dismissal is required or appropriate. A Complainant who decides to withdraw a complaint may later request to reinstate and refile it.

**F. Counterclaims**

1. The College is obligated to ensure that the grievance process is not abused for retaliatory purposes. The College permits the filing of counterclaims but uses an initial assessment, described above, to assess whether the allegations in the counterclaim are made in good faith. Counterclaims by the Respondent may be made in good faith, but are, on occasion, also made for purposes of retaliation. Counterclaims made with retaliatory intent will not be permitted.
2. Counterclaims determined to have been reported in good faith will be processed using the grievance procedures below. Investigation of such claims may take place after resolution of the underlying initial allegation, in which case a delay may occur.
3. Counterclaims may also be resolved through the same investigation as the underlying allegation, at the discretion of the Title IX Coordinator. When counterclaims are not made in good faith, they will be considered retaliatory and may constitute a violation of this policy.

**G. Right to an Advisor**

1. The parties may each have an Advisor of their choice present with them for all meetings and interviews within the resolution process, if they so choose. The parties may select whoever they wish to serve as their Advisor. This could include an attorney, advocate or support person.
2. The law permits one Advisor for each party.
3. Witnesses are not entitled to Advisors within this grievance process however they may be advised externally.

4. The chosen Advisor should be eligible and available. A party cannot insist on an Advisor who doesn't have the inclination, time or availability.
5. The Advisor cannot have institutionally conflicting roles, for example, the Title IX Coordinator who has an active role in the matter, or a supervisor who must monitor and implement sanctions.
6. Choosing an Advisor who is also a witness in the process creates potential for bias and conflict-of-interest. A party who chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the hearing Decision-maker(s).
7. The College may permit parties to have more than one Advisor upon special request to the Title IX Coordinator. The decision to grant this request is at the sole discretion of the Title IX coordinator and will be granted equitably to all parties.
8. Who Can Serve as an Advisor
  - a. The Advisor may be a friend, mentor, family member, attorney, or any other individual a party chooses to advise, support, and/or consult with them throughout the resolution process. The parties may choose Advisors from inside or outside of the College community.
  - b. The Title IX Coordinator will also offer to assign a trained Advisor for any party if the party so chooses if the party does not have an advisor at the time of hearing. If the parties choose an Advisor from the pool available from the College, the Advisor will be trained by the College and be familiar with the College's resolution process.
  - c. If the parties choose an Advisor from outside the pool of those identified by the College, the Advisor may not have been trained by the College and may not be familiar with College policies and procedures.
  - d. Parties also have the right to choose not to have an Advisor in the initial stages of the resolution process, prior to a hearing.
9. Advisors in Hearings/College-Appointed Advisor
  - a. Under U.S. Department of Education regulations applicable to Title IX, cross-examination is required during the hearing, and must be conducted by the parties' Advisors. The parties are not permitted to directly cross-examine each other or any witnesses.

- b. If a party does not have an Advisor for a hearing, the College will appoint a trained Advisor for the limited purpose of conducting any cross-examination.
- c. A party may reject this appointment and choose their own Advisor, but they may not proceed without an Advisor. If the party's Advisor will not conduct cross-examination, the College will appoint an Advisor who will do so regardless of the participation or non-participation of the advised party in the hearing itself.
- d. Extensive questioning of the parties and witnesses will also be conducted by the Decision-maker(s) during the hearing.

10. Advisor's Role

- a. The parties may be accompanied by their Advisor in all meetings and interviews at which the party is entitled to be present, including intake and interviews.
- b. Advisors should help the parties prepare for each meeting and are expected to advise ethically, with integrity, and in good faith.
- c. The College cannot guarantee equal Advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not or cannot afford an attorney, the College is not obligated to provide an attorney.

11. Pre-Interview Meetings

- a. Advisors may request to meet with the administrative officials conducting interviews/meetings in advance of these interviews or meetings. This pre-meeting allows Advisors to clarify and understand their role and College's policies and procedures.

12. Advisor Violations of College Policy

- a. All Advisors are subject to the same College policies and procedures, whether they are attorneys or not.
- b. Advisors are expected to advise their advisees without disrupting proceedings.
- c. Advisors should not address College officials in a meeting or interview unless invited to (asking procedural questions).

- d. The Advisor may not make a presentation or represent their advisee during any meeting or proceeding and may not speak on behalf of the advisee to the Investigator(s) or other Decision-maker(s) except during a hearing proceeding, during cross examination.
- e. The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the resolution process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee, either privately as needed, or by conferring or passing notes during any resolution process meeting or interview. For longer or more involved discussions, the parties and their Advisors should ask for breaks to allow for private consultation.
- f. Any Advisor who oversteps their role as defined by this policy will be warned only once.
  - i. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting will be ended, or other appropriate measures implemented.
  - ii. Subsequently, the Title IX Coordinator will determine how to address the Advisor's non-compliance and future role.

13. Sharing Information with the Advisor

- a. The College expects that the parties may wish to have the College share documentation and evidence related to the allegations with their Advisors, including attorney Advisors. Parties may share this information directly with their Advisor or other individuals if they wish. Doing so may help the parties participate more meaningfully in the resolution process.
- b. All communications and documentation from the college will be sent to the parties via their College assigned email.
- c. Privacy of Records Shared with Advisor
  - i. Advisors are expected to maintain the privacy of the records shared with them by the party they are advising.
  - ii. These records may not be shared with third parties, disclosed publicly, or used for purposes not explicitly authorized by the College.

- iii. The College may seek to restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by the College's privacy expectations.

14. Expectations of an Advisor

- a. The College generally expects an Advisor to adjust their schedule to allow them to attend College meetings when planned, but may change scheduled meetings to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.
- b. The College may also make reasonable provisions to allow an Advisor who cannot attend in person to attend a meeting by telephone, video conferencing, or other similar technologies as may be convenient and available.

15. Expectations of the Parties with Respect to Advisors

- a. A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. The parties are expected to inform the Investigator(s) of the identity of their Advisor at least two (2) business days before the date of their first meeting with Investigators (or as soon as possible if a more expeditious meeting is necessary or desired).
- b. The parties are expected to provide timely notice to the Title IX Coordinator if they change Advisors at any time. It is assumed that if a party changes Advisors, consent to share information with the previous Advisor is terminated, and a release for the new Advisor must be secured. Parties are expected to inform the Title IX Coordinator of the identity of their hearing Advisor at least two (2) business days before the hearing.

16. Assistance in Securing an Advisor

- a. For representation, Respondents may wish to contact organizations such as:
  - i. FACE (<http://www.facecampusequality.org>)
  - ii. SAVE (<http://www.saveservices.org>)
- b. Complainants may wish to contact organizations such as:
  - i. The Victim Rights Law Center (<http://www.victimrights.org>)

- ii. The National Center for Victims of Crime  
(<http://www.victimsofcrime.org>)
- iii. The Time's Up Legal Defense Fund  
(<http://nwic.org/times-up-legal-defense-fund/>)

## **IX. RESOLUTION PROCESSES**

### **A. Privacy of Resolutions Proceedings**

1. Resolution proceedings are private. All persons present at any time during the resolution process are expected to maintain the privacy of the proceedings in accordance with College policy.
2. While there is an expectation of privacy around what Investigators share with parties during interviews, the parties have discretion to share their own knowledge and evidence with others if they so choose. The College encourages parties to discuss this with their Advisors before doing so.

### **B. Informal Resolution**

1. Informal Resolution can include three different approaches:
  - a. When the parties agree to resolve the matter using an informal/alternate resolution process.
  - b. When the Respondent accepts responsibility for violating policy, and desires to accept a sanction and end the resolution process; or
  - c. When the Title IX Coordinator can resolve the matter informally by providing supportive measures to remedy the situation.
2. To initiate Informal Resolution, a Complainant must file a formal complaint, as defined above. If a Respondent wishes to initiate Informal Resolution, they must contact the Title IX Coordinator in writing to so indicate.
3. It is not necessary to pursue Informal Resolution first in order to pursue a Formal Grievance Process, and any party participating in Informal Resolution can stop the process at any time and begin or resume the Formal Grievance Process.
4. Prior to implementing Informal Resolution, the College will provide the parties with written notice of the reported misconduct and any sanctions or measures that may result from participating in such a process, including information regarding any records that will be maintained or shared by the College.

5. The College shall obtain voluntary, written confirmation that all parties wish to resolve the matter through Informal Resolution process before proceeding and will not pressure the parties to participate in the Informal Resolution process.
6. The Informal Resolution option is an informal process, including facilitation, mediation or restorative practices, etc. by which a mutually agreed upon resolution of an allegation is reached. All parties must consent to the use of the Informal Resolution process.
7. The Title IX Coordinator may consider the following factors to assess whether Informal/Alternate Resolution is appropriate, or which type of Informal Resolution processes may be most successful for the parties:
  - a. The parties' amenability to Informal Resolution process;
  - b. Likelihood of potential resolution, considering the allegations set forth in the Formal Complaint;
  - c. The parties' motivation to participate;
  - d. Cleared violence risk assessment/ongoing risk analysis;
  - e. Disciplinary history;
  - f. Whether an emergency removal is needed;
  - g. Complaint complexity;
  - h. Goals of the parties.
8. The Title IX Coordinator shall determine whether the Informal Resolution process is appropriate, and the Title IX Coordinator must approve any resolution agreement reached as a result of the Informal Resolution process.
9. The Title IX Coordinator maintains records of any resolution agreement reached, and failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions.
10. Results of complaints resolved by Informal Resolution are not appealable.
11. The Informal Resolution agreement is not final until it is signed by all parties and the Title IX Coordinator.

**C. Respondent's Acceptance of Responsibility**

1. The Respondent may accept responsibility for all or part of the alleged policy violations at any point during the resolution process.
2. If the Respondent indicates an intent to accept responsibility for all of the alleged misconduct, the formal process will be paused, and the Title IX Coordinator will determine whether Informal Resolution can be used according to the criteria in that section above.
3. If Informal Resolution is applicable, the Title IX Coordinator will determine whether all parties and the College are able to agree on responsibility, sanctions, and/or remedies.
  - a. If so, the Title IX Coordinator implements the accepted finding that the Respondent is in violation of College policy and implements agreed-upon sanctions and/or remedies, in coordination with other appropriate administrator(s), as necessary.
4. This result is not subject to appeal once all parties indicate their written assent to all agreed upon terms of resolution.
5. When the parties cannot agree on all terms of resolution, the Formal Grievance Process will resume at the same point where it was paused.
6. When a resolution is accomplished, the appropriate sanction or responsive actions are promptly implemented in order to effectively stop the harassment or discrimination, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

#### **D. Negotiated Resolution**

1. The Title IX Coordinator, with the consent of the parties, may negotiate and implement an agreement to resolve the allegations that satisfies all parties and the College.
2. Negotiated Resolutions are not appealable.

#### **E. Grievance Process Pool**

1. The Formal Grievance Process relies on a pool of administrators (“the Pool”) to carry out the process. Members of the Pool are listed in the Annual Title IX Report published by the Title IX Office. The Title IX Coordinator appoints the Pool.
  - a. **Pool Member Appointment:** While members of the Pool are typically trained in a variety of skill sets and can rotate amongst the different roles listed above in different cases,

the College can designate permanent roles for individuals in the Pool, using as substitutes or to provide greater depth of experience when necessary. The process of role assignment may be the result of particular skills, aptitudes, or talents identified in members of the Pool that make them best suited to particular roles.

- b. **Pool Membership:** Pool members are usually appointed to three-year terms. Individuals who are interested in serving in the Pool are encouraged to contact the Title IX Coordinator.
- c. **Pool Member Training:** Pool members receive annual training. This training includes, but is not limited to:
  - i. The scope of the College's Discrimination and Harassment Policy and Procedures
  - ii. Implicit bias
  - iii. Disparate treatment and impact
  - iv. Reporting, confidentiality, and privacy requirements
  - v. Applicable laws, regulations, and federal regulatory guidance
  - vi. How to implement appropriate and situation-specific remedies
  - vii. How to investigate in a thorough, reliable, and impartial manner
  - viii. How to uphold fairness, equity, and due process
  - ix. How to weigh evidence
  - x. How to conduct questioning
  - xi. How to assess credibility
  - xii. Impartiality and objectivity
  - xiii. How to render findings and generate clear, concise, evidence-based rationales
  - xiv. The definitions of all offenses
  - xv. How to apply definitions used by the College with respect to consent (or the absence or negation of consent) consistently, impartially, and in accordance with policy
  - xvi. How to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias
  - xvii. Any technology to be used at a live hearing

- xviii. Issues of relevance of questions and evidence
  - xix. How to determine appropriate sanctions in reference to all forms of harassment, discrimination, and/or retaliation allegations
2. Specific training is also provided for Appeal Officers and Advisors (who are College employees). All Pool members are required to attend these trainings annually. The materials used to train all members of the Pool are available on the Title IX website.

## **X. FORMAL GRIEVANCE PROCESS**

### **A. Notice of Investigation and Allegations**

1. The Title IX Coordinator will provide written notice of the investigation and allegations (the “NOIA”) to the Respondent upon commencement of the Formal Grievance Process. This facilitates the Respondent’s ability to prepare for the interview and to identify and choose an Advisor to accompany them. The NOIA is also copied to the Complainant, who is to be given advance notice of when the NOIA will be delivered to the Respondent.
2. The NOIA will include:
  - a. A meaningful summary of all of allegations,
  - b. The identity of the involved parties (if known),
  - c. The precise misconduct being alleged,
  - d. The date and location of the alleged incident(s) (if known),
  - e. The specific policies implicated,
  - f. A description of the applicable procedures,
  - g. A statement of the potential sanctions/responsive actions that could result,
  - h. A statement that the College presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination,
  - i. A statement that determinations of responsibility are made at the conclusion of the process and that the parties will be given an opportunity to inspect and review all directly related and/or relevant evidence obtained during the review and comment period,
  - j. A statement about the College’s policy on retaliation,

- k. Information about the privacy of the process,
  - l. Information on the need for each party to have an Advisor of their choosing and suggestions for ways to identify an Advisor,
  - m. A statement informing the parties that the College's Policy prohibits knowingly making false statements, including knowingly submitting false information during the resolution process,
  - n. Detail on how the party may request disability accommodations during the interview process,
  - o. A link to the College's VAWA information,
  - p. The name(s) of the Investigator(s), along with a process to identify, in advance of the interview process, to the Title IX Coordinator any conflict of interest that the Investigator(s) may have, and
  - q. An instruction to preserve any evidence that is directly related to the allegations.
- 3. Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various charges.
  - 4. Notice will be made in writing and may be delivered by email to the parties' College - issued email or designated accounts. Once emailed notice will be presumptively delivered.

#### **B. Resolution Timeline**

- 1. The College will make a good faith effort to complete the resolution process within a sixty-to-ninety (60-90) business day time period, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator, who will provide notice and rationale for any extensions or delays to the parties as appropriate, as well as an estimate of how much additional time will be needed to complete the process.

#### **C. Appointment of Investigators**

- 1. Once the decision to commence a formal investigation is made, the Title IX Coordinator appoints one investigator usually within two (2) business days of determining that an investigation should proceed.

#### **D. Ensuring Impartiality**

1. Any individual materially involved in the administration of the resolution process including the Title IX Coordinator, investigator and Decision-maker(s) may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.
2. The Title IX Coordinator will vet the assigned Investigator to ensure impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. The parties may, at any time during the resolution process, raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another individual will be assigned and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with Vice President, People and Culture.
3. The Formal Grievance Process involves an objective evaluation of all relevant evidence obtained, including evidence which supports that the Respondent engaged in a policy violation and evidence which supports that the Respondent did not engage in a policy violation. Credibility determinations may not be based solely on an individual's status or participation as a Complainant, Respondent, or witness.
4. The College operates with the presumption that the Respondent is not responsible for the reported misconduct unless and until the Respondent is determined to be responsible for a policy violation by the applicable standard of proof.

**E. Investigation Timeline**

1. Investigations are completed expeditiously, normally within thirty (30) business days, though some investigations may take weeks or even months, depending on the nature, extent, and complexity of the allegations, availability of witnesses, police involvement, etc.
2. The College will make a good faith effort to complete investigations as promptly as circumstances permit and will communicate regularly with the parties to update them on the progress and timing of the investigation.

**F. Delays in the Investigation Process and Interactions with Law Enforcement**

1. The College may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include, but are not limited to: a request from law enforcement to temporarily delay the investigation, the need for

language assistance, the absence of parties and/or witnesses, and/or accommodations for disabilities or health conditions.

2. The College will communicate in writing the anticipated duration of the delay and reason to the parties and provide the parties with status updates if necessary. The College will promptly resume its investigation and resolution process as soon as feasible. During such a delay, College will implement supportive measures as deemed appropriate.
3. The College action(s) are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

#### **G. Steps in the Investigation Process**

1. All investigations are conducted in a thorough, reliable, impartial, prompt, and fair manner. Investigations involve interviews with all relevant parties and witnesses; obtaining available, relevant evidence; and identifying sources of expert information, as necessary.
2. All parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence and expert witnesses, and to fully review and respond to all evidence on the record.
3. The Investigator(s) typically take(s) the following steps, if not already completed (not necessarily in this order):
  - a. Determine the identity and contact information of the Complainant
  - b. In coordination with campus partners (e.g., the Title IX Coordinator), initiate or assist with any necessary supportive measures
  - c. Identify all policies implicated by the alleged misconduct and notify the Complainant and Respondent of all of the specific policies implicated
  - d. Commence a thorough, reliable, and impartial investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for all witnesses and the parties

- e. Prepare the Notice of Investigation and Allegation (NOIA). The NOIA may be amended with any additional or dismissed allegations
- f. Notice should inform the parties of their right to an Advisor, who could be a member of the Pool or an Advisor of their choosing present for all meetings attended by the party
- g. Provide each interviewed party and witness an opportunity to review and verify the Investigator's summary notes (or transcript) of the relevant evidence/testimony from their respective interviews and meetings
- h. When participation of a party is expected, provide that party with written notice of the date, time, and location of the meeting, as well as the expected participants and purpose
- i. Interview all available, relevant witnesses and conduct follow-up interviews as necessary
- j. Allow each party the opportunity to suggest witnesses and questions they wish the Investigator(s) to ask of the other party and witnesses, and document in the report which questions were asked, with a rationale for any changes or omissions.
- k. Complete the investigation promptly and without unreasonable deviation from the intended timeline
- l. Provide regular status updates to the parties throughout the investigation.
- m. Prior to the conclusion of the investigation, provide the parties and their respective Advisors (if so desired by the parties) with a list of witnesses whose information will be used to render a finding
- n. Write a comprehensive investigation report fully summarizing the investigation, all witness interviews, and addressing all relevant evidence. Including relevant physical or documentary evidence.
- o. The Investigator gathers, assesses, and synthesizes evidence, but does not make conclusions, engage in policy analysis, or make recommendations as part of their investigative report.

- p. Prior to the conclusion of the investigation, provide the parties a secured electronic or hard copy of the draft investigation report as well as an opportunity to inspect and review all of the evidence obtained as part of the investigation that is directly related to the reported misconduct, including evidence upon which the College does not intend to rely in reaching a determination, for a ten (10) business day review and comment period so that each party may meaningfully respond to the evidence. The parties may elect to waive the full ten days.
- q. The Investigator may elect to respond in writing in the investigation report to the parties' submitted responses and/or to share the responses between the parties for additional responses.
- r. The Investigator will incorporate relevant elements of the parties' written responses into the final investigation report, include any additional relevant evidence, make any necessary revisions, and finalize the report. The Investigator(s) should document all rationales for any changes made after the review and comment period.
- s. The investigator shares the report with the Title IX Coordinator for their review and feedback.
- t. The Investigator will incorporate any relevant feedback, and the final report is then shared with all parties and their Advisors through secure electronic transmission at least ten (10) business days prior to a hearing. The parties are also provided with a file of any directly related evidence that was not included in the report.

#### **H. Role and Participation of Witnesses in the Investigation**

- 1. Witnesses (as distinguished from the parties) who are employees of the College are expected to cooperate with and participate in the College's investigation and resolution process. Failure of such witnesses to cooperate with and/or participate in the investigation or resolution process constitutes a violation of policy and may warrant discipline.
- 2. While in-person interviews for parties and all potential witnesses are ideal, circumstances (e.g., spring break, summer break) may require individuals to be interviewed remotely. Zoom, Teams, or similar technologies may be used for interviews if the Investigator(s) determine that timeliness or efficiency dictate a need for remote interviewing. The College will take appropriate

steps to reasonably ensure the security/privacy of remote interviews.

3. Witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator(s), though not preferred. If a witness submits a written statement but does not intend to be and is not present for cross examination at a hearing, their written statement may not be used as evidence.

**I. Recording of Interviews**

1. All interviews are audio and/or video recorded. All involved parties will be made aware of the audio and/or video recording. No unauthorized audio or video recording of any kind is permitted during investigation meetings.

**J. Evidentiary Considerations in the Investigation**

1. The investigation does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

**K. Referral for Hearing**

1. Provided that the complaint is not resolved through Informal Resolution, once the final investigation report is shared with the parties, the Title IX Coordinator will refer the matter for a hearing.
2. The hearing cannot be less than ten (10) business days from the conclusion of the Investigation –when the final investigation report is transmitted to the parties and the Decision-maker(s)—unless all parties and the Decision-maker(s) agree to an expedited timeline.
3. The Title IX Coordinator will select an appropriate Decision-makers from the Pool depending on whether the Respondent is an employee or a student. Allegations involving student-employees will be directed to the appropriate Decision-makers depending on the context of the alleged misconduct.

**L. Hearing Decision-maker Composition**

1. The College will designate a single Decision-maker or a three-member panel from the Pool, at the discretion of the Title IX Coordinator. With a panel, one of the three members will be appointed as Chair by the Title IX Coordinator.
2. The Decision-maker(s) will not have had any previous involvement with the investigation. The Title IX Coordinator may elect to have an alternate from the Pool sit in throughout the resolution process in the event that a substitute is needed for any reason.
3. Those who have served as Investigators will be witnesses in the hearing and therefore may not serve as Decision-makers. Those who are serving as Advisors for any party may not serve as Decision-makers in that matter.
4. The Title IX Coordinator may not serve as a Decision-maker or Chair in the matter but may serve as an administrative facilitator of the hearing if their previous role(s) in the matter do not create a conflict of interest. Otherwise, a designee may fulfill this role. The hearing will convene at a time determined by the Chair or designee.

**M. Evidentiary Considerations in the Hearing**

1. Any evidence that the Decision-maker(s) determine(s) is relevant and credible may be considered. The hearing does not consider: 1) incidents not directly related to the possible violation, unless they evidence a pattern; 2) the character of the parties; or 3) questions and evidence about the Complainant's sexual predisposition or prior sexual behavior, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.
2. Previous disciplinary action of any kind involving the Respondent may be considered in determining an appropriate sanction upon a determination of responsibility, assuming the College uses a progressive discipline system. This information is only considered at the sanction stage of the process.
3. The parties may each submit a written impact statement prior to the hearing for the consideration of the Decision-maker(s) at the sanction stage of the process when a determination of responsibility is reached.

4. After post-hearing deliberation, the Decision-makers render a determination based on the preponderance of the evidence; whether it is more likely than not that the Respondent violated the Policy as alleged.

**N. Notice of Hearing**

1. No less than ten (10) business days prior to the hearing, the Title IX Coordinator or the Chair will send notice of the hearing to the parties. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.
2. The notice will contain:
  - a. A description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable procedures, and a statement of the potential sanctions/responsive actions that could result.
  - b. The time, date, and location of the hearing and a reminder that attendance is mandatory, superseding all other campus activities.
  - c. Any technology that will be used to facilitate the hearing.
  - d. Information about the option for the live hearing to occur with the parties located in separate rooms using technology that enables the Decision-maker(s) and parties to see and hear a party or witness answering questions. Such a request must be raised with the Title IX Coordinator at least five (5) business days prior to the hearing.
  - e. A list of all those who will attend the hearing, along with an invitation to object to any Decision-maker on the basis of demonstrated bias. This must be raised with the Title IX Coordinator at least two (2) business days prior to the hearing.
  - f. Information on how the hearing will be recorded and on access to the recording for the parties after the hearing.
  - g. A statement that if any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence, and the party's or witness's testimony and any statements given prior to the hearing will not be considered by the Decision-maker(s). For compelling reasons, the Chair may reschedule the hearing.
  - h. Notification that the parties may have the assistance of an Advisor of their choosing at the hearing and will be

required to have one present for any questions they may desire to ask. The party must notify the Title IX Coordinator if they do not have an Advisor, and the College will appoint one. Each party must have an Advisor present. There are no exceptions.

- i. A copy of all the materials provided to the Decision-maker(s) about the matter, unless they have been provided already.<sup>1</sup>
  - j. An invitation to each party to submit to the Chair an impact statement pre-hearing that the Decision-maker will review during any sanction determination.
  - k. An invitation to contact the Title IX Coordinator to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, at least seven (7) business days prior to the hearing.
  - l. Whether parties may bring mobile phones/devices into the hearing.
3. Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to this Policy) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term or during the summer, as needed, to meet the resolution timeline followed by the College and remain within the 60-90 business day goal for resolution.
  4. In these cases, if the Respondent is a graduating student, a hold may be placed on graduation and/or official transcripts until the matter is fully resolved (including any appeal). A student facing charges under this Policy is not in good standing to graduate.

#### **O. Alternative Hearing Preparation Options**

1. If a party or parties prefer not to attend or cannot attend the hearing in person, the party should request alternative arrangements from the Title IX Coordinator or the Chair at least five (5) business days prior to the hearing.
2. The Title IX Coordinator or the Chair can arrange to use technology to allow remote testimony without compromising the fairness of the hearing. Remote options may also be needed for witnesses who cannot appear in person. Any witness who cannot attend in person must inform the Title IX Coordinator or the Chair

at least five (5) business days prior to the hearing so appropriate arrangements can be made.

**P. Pre-Hearing Preparation**

1. The Chair, after any necessary consultation with the parties, Investigator(s) and/or Title IX Coordinator, will provide the names of persons who will be participating in the hearing, all pertinent documentary evidence, and the final investigation report to the parties at least ten (10) business days prior to the hearing.
2. Any witness scheduled to participate in the hearing must have been first interviewed by the Investigator or have proffered a written statement or answered written questions, unless all parties and the Chair assent to the witness's participation in the hearing. The same holds for any evidence that is first offered at the hearing. If the parties and Chair do not assent to the admission of evidence newly offered at the hearing, the Chair will delay the hearing and instruct that the investigation needs to be re-opened to consider that evidence.
3. The parties will be given a list of the names of the Decision-maker(s) at least five (5) business days in advance of the hearing. All objections to any Decision-maker must be raised in writing, detailing the rationale for the objection, and must be submitted to the Title IX Coordinator as soon as possible and no later than one day prior to the hearing. Decision-makers will only be removed if the Title IX Coordinator concludes that their bias or conflict of interest precludes an impartial hearing of the allegation(s).
4. The Title IX Coordinator will give the Decision-maker(s) a list of the names of all parties, witnesses, and Advisors at least five (5) business days in advance of the hearing. Any Decision-maker who cannot make an objective determination must recuse themselves from the proceedings when notified of the identity of the parties, witnesses, and Advisors in advance of the hearing. If a Decision-maker is unsure of whether a bias or conflict of interest exists, they must raise the concern to the Title IX Coordinator as soon as possible.
5. During the ten (10) business day period prior to the hearing, the parties have the opportunity for continued review and comment on the final investigation report and available evidence. That review and comment can be shared with the Chair at the pre-hearing meeting or at the hearing and will be exchanged between each party by the Chair.

**Q. Pre-Hearing Meetings**

1. The Chair may convene a pre-hearing meeting(s) with the parties and/or their Advisors to invite them to submit the questions or topics they (the parties and/or their Advisors) wish to ask or discuss at the hearing, so that the Chair can rule on their relevance ahead of time to avoid any improper evidentiary introduction in the hearing or provide recommendations for more appropriate phrasing. However, this advance review opportunity does not preclude the Advisors from asking at the hearing for a reconsideration based on any new information or testimony offered at the hearing. The Chair must document and share their rationale for any exclusion or inclusion at this pre-hearing meeting.
2. The Chair, **only** with full agreement of the parties, may decide in advance of the hearing that certain witnesses do not need to be present if their testimony can be adequately summarized by the Investigator(s) in the investigation report or during the hearing.
3. At each pre-hearing meeting with a party and their Advisor, the Chair will consider arguments that evidence identified in the final investigation report as relevant is, in fact, not relevant. Similarly, evidence identified as directly related but not relevant by the Investigator(s) may be argued to be relevant. The Chair may rule on these arguments pre-hearing and will exchange those rulings between the parties prior to the hearing to assist in preparation for the hearing. The Chair may consult with legal counsel and/or the Title IX Coordinator, or ask either or both to attend pre-hearing meetings.
4. The pre-hearing meeting(s) will be recorded.

#### **R. Hearing Procedures**

1. At the hearing, the Decision-maker(s) has the authority to hear and make determinations on all allegations of discrimination, harassment, and/or retaliation and may also hear and make determinations on any additional alleged policy violations that have occurred in concert with the discrimination, harassment, and/or retaliation, even though those collateral allegations may not specifically fall within the policy on Sexual Harassment, Discrimination and Retaliation.
2. Participants at the hearing will include the Chair, any additional panelists, hearing facilitator, the Investigator(s) who conducted the investigation, the parties (In incidents involving student groups or organizations, the president, director, team captain or other member of student leadership will participate in the student conduct process on behalf of the group or organization), Advisors to the parties, any called witnesses, the Title IX Coordinator and anyone providing authorized accommodations or assistive services.

3. The Chair will answer all questions of procedure. Anyone appearing at the hearing to provide information will respond to questions on their own behalf.
4. The Chair will allow witnesses who have relevant information to appear at a portion of the hearing in order to respond to specific questions from the Decision-maker(s) and the parties and will then be excused.

**S. Joint Hearings**

1. In hearings involving more than one Respondent or in which two (2) or more Complainants have accused the same individual of substantially similar conduct, the default procedure will be to hear the allegations jointly.
2. However, the Title IX Coordinator may permit the investigation and/or hearings pertinent to each Respondent to be conducted separately if there is a compelling reason to do so. In joint hearings, separate determinations of responsibility will be made for each Respondent with respect to each alleged policy violation.

**T. The Order of the Hearing-Introductions and Explanation of Procedure**

1. The Chair explains the procedures and introduces the participants. This may include a final opportunity for challenge or recusal of the Decision-maker(s) on the basis of bias or conflict of interest. The Chair will rule on any such challenge unless the Chair is the individual who is the subject of the challenge, in which case the Title IX Coordinator will review and decide the challenge.
2. The Chair AND/OR hearing facilitator then conducts the hearing according to the hearing script. At the hearing, recording, witness logistics, party logistics, curation of documents, separation of the parties, and other administrative elements of the hearing process are managed by a non-voting hearing facilitator appointed by the Title IX Coordinator. The hearing facilitator may attend to: logistics of rooms for various parties/witnesses as they wait; flow of parties/witnesses in and out of the hearing space; ensuring recording and/or virtual conferencing technology is working as intended; copying and distributing materials to participants, as appropriate, etc.

**U. Investigator Presents the Final Investigation Report**

1. The Investigator will present a summary of the final investigation report, including items that are contested and those that are not, and will be subject to questioning by the Decision-maker(s) and the parties (through their Advisors). The Investigator(s) will be

present during the entire hearing process, but not during deliberations.

2. Neither the parties nor the Decision-maker(s) should ask the Investigator their opinions on credibility, recommended findings, or determinations, and the Investigators, Advisors, and parties will refrain from discussion of or questions about these assessments. If such information is introduced, the Chair will direct that it be disregarded.

## **V. Testimony and Questioning**

1. Once the Investigator present their report and are questioned, the parties and witnesses may provide relevant information in turn, beginning with the Complainant, and then in the order determined by the Chair. The parties/witnesses will submit to questioning by the Decision-maker(s) and then by the parties through their Advisors (“cross-examination”).
2. All questions are subject to a relevance determination by the Chair. The Advisor, who will remain seated during questioning, will pose the proposed question orally, electronically, or in writing (orally is the default, but other means of submission may be permitted by the Chair upon request or agreed to by the parties and the Chair), the proceeding will pause to allow the Chair to consider it, and the Chair will determine whether the question will be permitted, disallowed, or rephrased.
3. The Chair may explore arguments regarding relevance with the Advisors, if the Chair so chooses. The Chair will then state their decision on the question for the record and advise the party/witness to whom the question was directed, accordingly. The Chair will explain any decision to exclude a question as not relevant, or to reframe it for relevance.
4. The Chair will limit or disallow questions on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), or abusive. The Chair has final say on all questions and determinations of relevance, subject to any appeal. The Chair may consult with legal counsel on any questions of admissibility. The Chair may ask advisors to frame why a question is or is not relevant from their perspective but will not entertain argument from the advisors on relevance once the Chair has ruled on a question.
5. If the parties raise an issue of bias or conflict of interest of an Investigator or Decision-maker at the hearing, the Chair may elect to address those issues, consult with legal counsel, and/or refer them to the Title IX Coordinator, and/or preserve them for appeal.

If bias is not in issue at the hearing, the Chair should not permit irrelevant questions that probe for bias.

**W. Refusal to Submit to Cross Examination and Inferences**

1. If a party or witness chooses not to submit to cross-examination at the hearing, either because they do not attend the meeting, or they attend but refuse to participate in questioning, then the Decision-maker(s) may not rely on any prior statement made by that party or witness at the hearing (including those contained in the investigation report) in the ultimate determination of responsibility. The Decision-maker(s) must disregard that statement. Evidence provided that is something other than a statement by the party or witness may be considered.
2. If the party or witness attends the hearing and answers some cross-examination questions, only statements related to the cross-examination questions they refuse to answer cannot be relied upon. However, if the statements of the party who is refusing to submit to cross-examination or refuses to attend the hearing are the subject of the allegation itself (e.g., the case is about verbal harassment or a quid pro quo offer), then those statements are not precluded from admission. Similarly, statements can be relied upon when questions are posed by the Decision-maker(s), as distinguished from questions posed by Advisors through cross-examination.
3. The Decision-maker(s) may not draw any inference solely from a party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.
4. If charges of policy violations other than sexual harassment are considered at the same hearing, the Decision-maker(s) may consider all evidence it deems relevant, may rely on any relevant statement as long as the opportunity for cross-examination is afforded to all parties through their Advisors, and may draw reasonable inferences from any decision by any party or witness not to participate or respond to questions.
5. If a party's Advisor of choice refuses to comply with the College's established rules of decorum for the hearing, the College may require the party to use a different Advisor. If a College-provided A refuses to comply with the rules of decorum, the College may provide that party with a different Advisor to conduct cross-examination on behalf of that party.

**X. Recording Hearings**

1. Hearings (but not deliberations) are recorded by the College for purposes of review in the event of an appeal. The parties may not

record the proceedings and no other unauthorized recordings are permitted.

2. The Decision-maker(s), the parties, their Advisors, and appropriate administrators of the College will be permitted to listen to the recording in a controlled environment determined by the Title IX Coordinator. No person will be given or be allowed to make a copy of the recording without permission of the Title IX Coordinator.

#### **Y. Deliberation, Decision-making, and Standard of Proof**

1. The Decision-maker(s) will deliberate in closed session to determine whether the Respondent is responsible or not responsible for the policy violation(s) in question. If a panel is used, a simple majority vote is required to determine the finding. The preponderance of the standard of proof is used. The hearing facilitator may be invited to attend the deliberation by the Chair, but is there only to facilitate procedurally, not to address the substance of the allegations.
2. When there is a finding of responsibility on one or more of the allegations, the Decision-maker(s) may then consider the previously submitted party impact statements in determining appropriate sanction(s).
3. The Chair will ensure that each of the parties has an opportunity to review any impact statement submitted by the other party(ies). The Decision-maker(s) may – at their discretion – consider the statements, but they are not binding.
4. The Decision-maker(s) will review the statements and any pertinent conduct history provided by the appropriate administrator and will determine the appropriate sanction(s).
5. The Chair will prepare a written deliberation statement and deliver it to the Title IX Coordinator, detailing the determination, rationale, the evidence used in support of its determination, the evidence disregarded, credibility assessments, and any sanctions.
6. This report typically should not exceed three (3) to five (5) pages in length and must be submitted to the Title IX Coordinator within two (2) business days of the end of deliberations, unless the Title IX Coordinator grants an extension. If an extension is granted, the Title IX Coordinator will notify the parties.

#### **Z. Notice of Outcome**

1. Using the deliberation statement, the Title IX Coordinator will work with the Chair to prepare a Notice of Outcome. The Title IX Coordinator will then share the letter, including the final

determination, rationale, and any applicable sanction(s) with the parties and their Advisors within 5 business days of receiving the Decision-maker(s)' deliberation statement.

2. The Notice of Outcome will then be shared with the parties simultaneously. Notification will be made in writing and may be delivered by one or more of the following methods: emailed to the parties' College -issued email or otherwise approved account. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered.
3. The Notice of Outcome will identify the specific policy(ies) reported to have been violated, including the relevant policy section, and will contain a description of the procedural steps taken by the College from the receipt of the misconduct report to the determination, including any and all notifications to the parties, interviews with parties and witnesses, site visits, methods used to obtain evidence, and hearings held.
4. The Notice of Outcome will specify the finding on each alleged policy violation; the findings of fact that support the determination; conclusions regarding the application of the relevant policy to the facts at issue; a statement of, and rationale for, the result of each allegation to the extent the College is permitted to share such information under state or federal law; any sanctions issued which the College is permitted to share according to state or federal law; and any remedies provided to the Complainant designed to ensure access to the College's educational or employment program or activity, to the extent the College is permitted to share such information under state or federal law (this detail is not typically shared with the Respondent unless the remedy directly relates to the Respondent).
5. The Notice of Outcome will also include information on when the results are considered by the College to be final, any changes that occur prior to finalization, and the relevant procedures and bases for any available appeal options.

## **XI. SANCTIONS**

### **A. Factors In Determining Appropriate Sanction / Responsive Action**

1. Factors considered when determining a sanction/responsive action may include, but are not limited to:
  - a. The nature, severity of, and circumstances surrounding the violation(s);
  - b. The Respondent's disciplinary history;

- c. Previous allegations or allegations involving similar conduct;
  - d. The need for sanctions/responsive actions to bring an end to, prevent future recurrence of, and/or remedy the effects of the discrimination, harassment, and/or retaliation;
  - e. The impact on the parties;
  - f. Any other information deemed relevant by the Decision-maker(s).
- 2. The sanctions will be implemented as soon as is feasible, either upon the outcome of any appeal or the expiration of the window to appeal without an appeal being requested.
  - 3. The sanctions described in this policy may be in addition to, other actions or sanctions imposed by external authorities.

#### **B. Student Sanctions.**

The following are the usual sanctions that may be imposed upon students or organizations singly or in combination.

- 1. **Verbal Reprimand:** The least severe form of disciplinary action.
- 2. **Written Reprimand** - An official written notice to a student that his/her conduct is in violation of the Student Code of Conduct and as such is unacceptable to the College.
- 3. **Restitution or Reimbursement:** Assessment of financial changes and/or other forms of recompense for any damage or loss incurred by the College or any member of the College community.
- 4. **Reduction of Privilege:** Denial of particular student privileges such as the privilege to park on campus or use of computer lab equipment.
- 5. **Disciplinary Probation:** After a finding of violation of the Code of Conduct, a disciplinary probationary period restricts the student's privileges for a designated period of time, including the probability of more severe disciplinary sanctions if the student is found to be violating any College regulations during the probationary period.
- 6. **Temporary Class Dismissal:** In the case of student misconduct in the classroom, faculty members have the right to temporarily remove a student from the classroom. Removal is normally not longer than one class period per incident. In cases where additional time is needed, the faculty member must consult with the

Academic Dean and the Vice President, Student Success to ensure due process.

7. **Disciplinary Suspension:** An involuntary separation of the student from the College for misconduct, apart from academic performance, that does not exceed two academic terms per suspension for any singular offense or situation. While a student is suspended, he or she is not eligible for admission or re-admission at any of the College's facilities or activities. Once the suspension is lifted, the student is eligible for admission or re-admission.
8. **Disciplinary Expulsion:** An involuntary separation of the student from the College for misconduct, apart from academic performance, for more than two academic terms. While a student is expelled, he or she is not eligible for admission or re-admission at any of the College's courses, programs, or activities. After the expulsion, a student's eligibility for re-admission is contingent upon their ability to prove the behavior that resulted in the expulsion has been resolved.
9. **No Contact Order** - The student is prohibited from intentional direct or indirect contact with another person or group or their property via any means, including, but not limited to: personal contact, electronic communication (e.g. text messages, social media, etc.), telephone, or through third parties.
10. **No Trespass Order** - The student is prohibited from being on any campus property and/or entering specific College facilities.

### C. **Employee Sanctions.**

Responsive actions for an employee who has engaged in harassment, discrimination, and/or retaliation include:

1. **Corrective Action** - Official written notification of unacceptable behavior and violation(s) of College policy. The written documentation becomes part of the employee's personnel file.
2. **Suspension** - An employee may be suspended without pay. The length of suspension will be dependent upon the severity of the violation and will range in length from three (3) to thirty (30) College business days.
3. **Separation** - An action ending the employment relationship.
4. **Job Reassignment** - An employee may be moved temporarily or permanently to a different position or to a different work location. This position may or may not be an equivalent level to their current position.

5. ***Loss of College Privileges*** - An employee may be restricted from accessing specific College privileges including, but not limited to: College computer and network access, sabbatical or eligibility for awards, participation in groups or associations, and utilization of recreation or fitness facilities.
6. ***No Contact Order*** - The employee is prohibited from intentional direct or indirect contact with another person or group or their property via any means, including, but not limited to: personal contact, electronic communication (e.g. text messages, social media, etc.), telephone, or through third parties.
7. ***No Trespass Order*** - The employee is prohibited from being on any campus property and/or entering specific College facilities.
8. ***Other Actions*** - In addition to or in place of the above sanctions, the College may assign any other sanctions deemed appropriate.

**D. Withdrawal or Resignation while Charges Pending**

1. **Students**
  - a. If a student has an allegation pending for violation of this Policy the College may place a hold on a student's ability to graduate and/or to receive an official transcript/diploma.
  - b. Should a student decide to not participate in the resolution process, the process proceeds absent their participation to a reasonable resolution. Should a student Respondent permanently withdraw from the College, the resolution process ends, as the College no longer has disciplinary jurisdiction over the withdrawn student.
  - c. However, the College will continue to address and remedy any systemic issues, variables that may have contributed to the alleged violation(s), and any ongoing effects of the alleged harassment, discrimination, and/or retaliation. The student who withdraws or leaves while the process is pending may not return to the College. Such exclusion applies to all campuses of College. A hold will be placed on their ability to be readmitted. They may also be barred from College employment, property and/or events.
  - d. If the student Respondent only withdraws or takes a leave for a specified period of time (e.g., one semester or term), the resolution process may continue remotely and that student is not permitted to return to the College unless and until all sanctions have been satisfied.

- e. During the resolution process, the College may put a hold on a responding student's transcript or place a notation on a responding student's transcript that a disciplinary matter is pending.

**2. Employees**

- a. Should an employee Respondent resign with unresolved allegations pending, the resolution process ends, as the College no longer has disciplinary jurisdiction over the resigned employee.
- b. However, the College will continue to address and remedy any systemic issues, variables that contributed to the alleged violation(s), and any ongoing effects of the alleged harassment or discrimination.
- c. The employee who resigns with unresolved allegations pending is not eligible for rehire with the College or any campus of the College, and the records retained by the Title IX Coordinator will reflect that status.

**XII. APPEALS**

**A. Submitting a Request for Appeal**

- 1. Any party may file a request for appeal ("Request for Appeal"), but it must be submitted in writing to the Title IX Coordinator within 5 days of the delivery of the Notice of Outcome.
- 2. A single Appeal Chair will be designated by the Title IX Coordinator to review the appeal. No Appeal Chair will have been involved in the process previously, including any dismissal appeal that may have been heard earlier in the process.
- 3. The Request for Appeal will be forwarded to the Appeal Chair for consideration to determine if the request meets the grounds for appeal (a Review for Standing).
- 4. This review is not a review of the merits of the appeal, but solely a determination as to whether the request meets the grounds and is timely filed.

**B. Grounds for Appeal**

- 1. Appeals are limited to the following grounds:
  - a. Procedural irregularity that affected the outcome of the matter;

- b. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
  - c. The Title IX Coordinator, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that affected the outcome of the matter.
- 2. If any of the grounds in the Request for Appeal do not meet the grounds in this Policy, that request will be denied by the Appeal Chair and the parties and their Advisors will be notified in writing of the denial and the rationale.
- 3. If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appeal Chair will notify the other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-maker(s).
- 4. The other party(ies) and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigators and/or the original Decision-maker(s) will be mailed, emailed, and/or provided a hard copy of the request with the approved grounds and then be given 5 business days to submit a response to the portion of the appeal that was approved and involves them. All responses will be forwarded by the Chair to all parties for review and comment.
- 5. The non-appealing party (if any) may also choose to raise a new ground for appeal at this time. If so, that will be reviewed for standing by the Appeal Chair and either denied or approved. If approved, it will be forwarded to the party who initially requested an appeal, the Investigator(s) and/or original Decision-maker(s), as necessary, who will submit their responses in 5 business days, which will be circulated for review and comment by all parties.
- 6. Neither party may submit any new requests for appeal after this time period. The Appeal Chair will collect any additional information needed and all documentation regarding the approved grounds and the subsequent responses and the Chair will render a decision in no more than 5 business days, barring exigent circumstances. All decisions apply the preponderance of the evidence standard.
- 7. A Notice of Appeal Outcome will be sent to all parties simultaneously including the decision on each approved ground and rationale for each decision. The Notice of Appeal Outcome will specify the finding on each ground for appeal, any specific

instructions for remand or reconsideration, any sanctions that may result which the College is permitted to share according to state or federal law, and the rationale supporting the essential findings to the extent the College is permitted to share under state or federal law.

8. Notification will be made in writing and may be delivered by email to the parties' College-issued email or otherwise approved account. Once emailed notice will be presumptively delivered.

#### **C. Sanctions Status During the Appeal**

1. Any sanctions imposed as a result of the hearing are stayed during the appeal process. Supportive measures may be reinstated, subject to the same supportive measure procedures above.
2. If any of the sanctions are to be implemented immediately post-hearing, then emergency removal procedures (detailed above) for a hearing on the justification for doing so must be permitted within 48 hours of implementation.
3. The College may still place holds on official transcripts, diplomas, graduations, and course registration pending the outcome of an appeal when the original sanctions included separation.

#### **D. Appeal Considerations**

1. Decisions on appeal are to be deferential to the original decision, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so.
2. Appeals are not intended to provide for a full re-hearing of the allegation(s). In most cases, appeals are confined to a review of the written documentation or record of the original hearing and pertinent documentation regarding the specific grounds for appeal.
3. An appeal is not an opportunity for Appeal Chair to substitute their judgment for that of the original Decision-maker(s) merely because they disagree with the finding and/or sanction(s).
4. The Appeal Chair may consult with the Title IX Coordinator on questions of procedure or rationale, for clarification, if needed. Documentation of all such consultation will be maintained.
5. Appeals granted based on new evidence should normally be remanded to the original Investigator(s) and/or Decision-maker(s) for reconsideration. Other appeals may be remanded at the discretion of the Title IX Coordinator or, in limited circumstances, decided on appeal.

6. Once an appeal is decided, the outcome is final: further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new hearing). When appeals result in no change to the finding or sanction, that decision is final. When an appeal results in a new finding or sanction, that finding or sanction can be appealed one final time on the grounds listed above and in accordance with these procedures.
7. In rare cases where a procedural or substantive error cannot be cured by the original Decision-maker(s) (as in cases of bias), the appeal may order a new hearing with a new Decision-maker(s).
8. The results of a remand to a Decision-maker(s) cannot be appealed. The results of a new hearing can be appealed, once, on any of the three available appeal grounds.
9. In cases in which the appeal results in reinstatement to the College or resumption of privileges, all reasonable attempts will be made to restore the Respondent to their prior status, recognizing that some opportunities lost may be irreparable in the short term.

### **XIII. LONG-TERM REMEDIES AND ACTIONS**

- A. Following the conclusion of the resolution process, and in addition to any sanctions implemented, the Title IX Coordinator may implement long-term remedies or actions with respect to the parties and/or the campus community to stop the harassment, discrimination, and/or retaliation; remedy its effects; and prevent its reoccurrence.
- B. These remedies/actions may include, but are not limited to:
  1. Referral to counseling and health services
  2. Referral to the Employee Assistance Program (EMPAC)
  3. Education to the community
  4. Permanent alteration of work arrangements for employees
  5. Provision of campus safety escorts
  6. Climate surveys
  7. Policy modification
  8. Provision of transportation accommodations
  9. Implementation of long-term contact limitations between the parties

10. Implementation of adjustments to academic deadlines, course schedules, etc.
- C. At the discretion of the Title IX Coordinator, long-term remedies may also be provided to the Complainant even if no policy violation is found.
- D. When no policy violation is found, the Title IX Coordinator will address any remedial requirements owed by the College to the Respondent.

#### **XIV. FAILURE TO COMPLETE SANCTIONS / COMPLY WITH INTERIM AND LONG-TERM REMEDIES/RESPONSIVE ACTIONS**

- A. All Respondents are expected to comply with conduct sanctions, responsive actions, and corrective actions within the timeframe specified by the Title IX Coordinator.
- B. Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/responsive/corrective action(s), including suspension, expulsion, and/or termination from the College and may be noted on a student's official transcript.
- C. A suspension will only be lifted when compliance is achieved to the satisfaction of the Title IX Coordinator

#### **XV. RECORDKEEPING**

- A. In implementing this policy, records of all allegations, investigations, resolutions, and hearings will be kept indefinitely, or as required by state or federal law or institutional policy, by the Title IX Coordinator.

#### **XVI. DISABILITIES ACCOMMODATION IN THE RESOLUTION PROCESS**

- A. The College is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the resolution process at the College. Anyone needing such accommodations or support should contact the Disability Services Specialist, who will review the request and, in consultation with the person requesting the accommodation, and the, Title IX Coordinator, determine which accommodations are appropriate and necessary for full participation in the process.

#### **XVII. POLICY REVISIONS**

- A. These policies and procedures will be reviewed and updated annually by the Title IX Coordinator. The College reserves the right to make changes to this document as necessary and once those changes are posted online, they are in effect.

- B.** The Title IX Coordinator may make minor modifications to these procedures that do not materially jeopardize the fairness owed to any party, such as to accommodate summer schedules.
- C.** The Title IX Coordinator may also vary procedures materially with notice (on the College website, with the appropriate effective date identified) upon determining that changes to law or regulation require policy or procedural alterations not reflected in this policy and procedure.
- D.** Procedures in effect at the time of the resolution will apply to resolution of incidents, regardless of when the incident occurred.
- E.** Policy in effect at the time of the offense will apply even if the policy is changed subsequently but prior to resolution, unless the parties consent to be bound by the current policy.
- F.** If government regulations change in a way that impacts this document, this document will be construed to comply with the most recent government regulations.
- G.** This document does not create legally enforceable protections beyond the protection of the background state and federal laws which frame such policies and codes, generally.
- H.** This policy and procedure is effective as of August 14, 2020.
