Policy Statement

Criminal activity is recognized by the local law enforcement agencies and is routinely reported to the college on a periodic basis. College officials and the Law Enforcement Community in Sedgwick County enjoy a close working relationship when violations of federal, state, or local laws surface. This cooperative team approach addresses situations as they arise as well as future concerns. Student activities near (parallel or perpendicular to the College's property) will be closely monitored. Any inappropriate or dangerous activity may cause the Vice President of Student Services to take administrative action against the offender.
