Policy Statement

WSU Tech assumes no responsibility for the care or protection of any vehicle or its contents during time it is parked or operated on the grounds of any WSU Tech property. Each individual is encouraged to take with them or secure any valuables in a concealed and locked compartment within their vehicle.

Lack of space is not considered a valid reason for violating any parking regulations. Vehicles parked outside a parking space boundary may be ticketed or towed.

WSU Tech reserves the right to remove, or have removed, any vehicle that is parked in such a way as to constitute a hazard; impedes vehicular or pedestrian movement; or blocks the operation of emergency equipment. Vehicles deemed abandoned may also be removed from WSU Tech property by whatever means the college deems necessary. Owners of such vehicles are responsible for paying all costs involved in the removing, impounding and storage of such vehicles.

Fines may be assessed for improper parking; parking in restricted or no-parking areas, reckless or careless driving; hit and run accidents; and failure to follow directions of school authorities in matters related to vehicular traffic and parking.
