**LINE ITEM BID:**

The undersigned shall list on this form the unit cost for each item proposed. Unit costs shall be all-inclusive and shall cover the product, freight, delivery, installation, and all applicable taxes, fees, and charges. Unit pricing shall include all labor, materials, coordination, and incidental costs necessary to provide a complete and fully installed product.

This Bid is comprised of five (5) distinct Groups. Bidders may elect to submit bids for any one Group, multiple Groups, or all Groups. However, bids must be submitted for an entire Group; partial Group bids will be deemed non-responsive and rejected.

If a discrepancy occurs between the unit price multiplied by the quantity and the extended price, the lowest price to the Owner shall prevail.

The Owner reserves the right to award Contracts by individual Group, multiple Groups, or as a single combined award, whichever is deemed to be in the Owner's best interest.

Bids shall be based on the specified items unless approved substitutions are submitted and accepted in accordance with the Instructions to Bidders.

Where applicable, pricing submitted shall be based on State of Kansas Contract (GOP) pricing available to WSU Tech. Bidders shall identify the applicable contract Numbers
