

AVIONICS TECHNOLOGY

The Avionics Technology associate of applied science program prepares students to work in the field of electronics. Learning opportunities develop academic, technical and professional knowledge and skill required for job acquisition. The program is comprised of a set of core courses in fundamentals of electrical theory, electronic devices, digital concepts, wiring, and avionics systems. Students may then concentrate in three separate areas of electronics technology: radio communications, electronic measurement and instrumentation, or avionics.

DEGREE AND CERTIFICATE OPTIONS	LENGTH	COST
AAS Avionics	2 Years	\$11,775
TC – Avionics	2 Years	\$9,936

PROGRAM ENTRY REQUIREMENTS

- ☐ Meet math assessment:
Test into College Algebra

PROGRAM CONTACTS:

Bailee Tullos

Admissions Counselor

btullos@wsutech.edu
