

ENGINEERING DESIGN TECHNOLOGY

Engineering Design Technology is an interdisciplinary curriculum that prepares graduates for a variety of positions in manufacturing design. All students complete a core set of courses selected to provide a well-rounded understanding of design.

This program also allows students to select a focus for their design studies from two different tracks – Mechanical Design or Mechanical Engineering Design.

DEGREE AND CERTIFICATE OPTIONS	LENGTH	COST
AAS Degree	2 Years	\$14,707
Technical Certificate	18 Months	\$11,761
