YOUR NEXT STEPS:

1 Complete and submit WSU Tech application.
The application is available at all WSU Tech locations and online at www.wsutech.edu/apply

2 Request official transcripts (High School and College)
☐ High School or GED transcripts: Official transcripts must be mailed or transferred electronically directly from the issuing institution and received by the Registrar prior to registration. Official transcripts must be in a sealed envelope upon receipt and may not be stamped "student copy."
☐ College transcripts: Request official transcripts be sent from each institution from which coursework is to be transferred. Transfer credits must have been earned at an accredited institution. Equivalent coursework for which students have earned a letter grade of a 'C' or better is considered for transfer. Official transcripts must be mailed or transferred electronically directly from the issuing institution and received by the Registrar prior to registration. Official transcripts must be in a sealed envelope upon receipt.

STEPS CONTINUED:

6 **Attend Information Session:**
- Held at the WSU South campus.
- Fall: September TBD | Spring: March TBD
- Check with your Academic Advisor for more information.
- Bring a notebook and pen to the Information Session. Children may not attend the session.
- Please check with your Academic Advisor for details.
- There is no fee to attend, however registration is required.

ACCEPTANCE

When all documentation is received, required test scores are achieved, and college and program requirements are met, applicants are eligible for selection. Students are selected based on merit including but not limited to grade point average and test/essay scores. A rubric will be provided during the information session.

Resubmitting Application

Applicants must attend another information session.
